Resource: Jason Parry
Executive Director of Facilities & Construction

AGENDA ITEM: Report Out of the Campus Facilities and Construction Committee and Consideration of Approval of Granting an Easement to Atmos Energy for Delivery of Natural Gas Service at the Celina Campus

DISCUSSION: The new construction of the Celina Campus will require delivery of natural gas service for the project. Atmos Energy will deliver natural gas for the project site. To provide natural gas for the project site, Atmos Energy is requesting an easement to be granted at the Celina Campus project. The easement is a requirement for delivery and maintenance of the natural gas pathways on the project site.

The legal description and meets and bounds of the new easement is per the attached 'Exhibit A'.

DISTRICT PRESIDENT'S RECOMMENDATION: The District President recommends approval of granting an easement to Atmos Energy for the delivery and maintenance of the natural gas pathways for the Celina Campus.

SUGGESTED MOTION: This may come out of committee as a motion and second or a suggested motion could be: "Mr. Chairman, I make a motion that the Board of Trustees of Collin County Community College District approve the granting of an easement to Atmos Energy for the delivery and maintenance of the natural gas pathways for the Celina Campus."
