Miguel Bohrer 2608 Arlington Dr Springfield, IL, 62704 (217) 891-4355 miguel@mtbohrer.com

New Berlin High School 300 W Ellis St. New Berlin, IL, 62670

Dear Mrs. Llewellyn,

I am excited to apply for the paraprofessional position at New Berlin High School. This would be a great experience for me as I am going back to school to earn a master's degree in education. This position would be beneficial as I learn how a school works and learn how to support students in their education.

I have a bachelor's degree in graphic design and have worked in customer support since graduating from Illinois State University in 2020. I am applying to attend Grand Canyon University online courses in the fall to earn my teaching degree and licensure.

As I worked in customer service I learned time management, social skills, team building, and communication and collaboration skills. I have learned how to manage the stressful conditions that can come with any job.

I am ready to embark on a new life path and being a paraprofessional at New Berlin High School would be the first step in helping me reach my goals. I want to learn how to support students and collaborate with teachers as I go back to school for education and become a teacher soon.

Sincerely, Miguel Bohrer
