

# Franklin Elementary

103 Country Club Road Hillsboro, TX 76645

## November 2016 Board Report

### Curriculum and Campus Updates

During the month of November, we will continue our study on Farm/Harvest. We plan to have a visit from a farmer, see a tractor, and learn all about jobs on the farm. We will visit local nursing homes and sing patriotic songs for the residents. We will have sharing feasts in our classrooms and plant flower bulbs in our courtyard. We will also have an important food drive this month where we collect food for families. When we return from Thanksgiving break, we will study weather.

### Professional Development

At Franklin Elementary, we understand that collaboration is a 21st century skill. We will visit the Piper School in Waco this month to discuss innovative learning. During our professional learning community we will discuss ways to enhance learning for students in poverty and English language learners. We will continue our FreshGrade e-portfolio implementation and CPR training with the Hillsboro Fire Department. The leadership team will participate in a district data review and review TASB policies.
