Goals

- Identify the core elements of school-wide positive behavior support.
- Define the outcomes to date associated with a “whole-school” approach to behavior support
- Identify the role of wraparound in the school-wide PBS approach.

What is

School-wide Positive Behavior Support?

- School-wide PBS: A systems approach for establishing the **social culture** and individualized behavioral supports needed for schools to achieve both social and academic success for all students.
- Evidence-based features of SW-PBS
 - Prevention
 - Define and teach positive social expectations
 - Acknowledge positive behavior
 - Arrange consistent consequences for problem behavior
 - On-going collection and use of data for decision-making
 - Continuum of intensive, individual interventions.
 - Administrative leadership – Team-based implementation (Systems that support effective practices)

Establishing a Social Culture

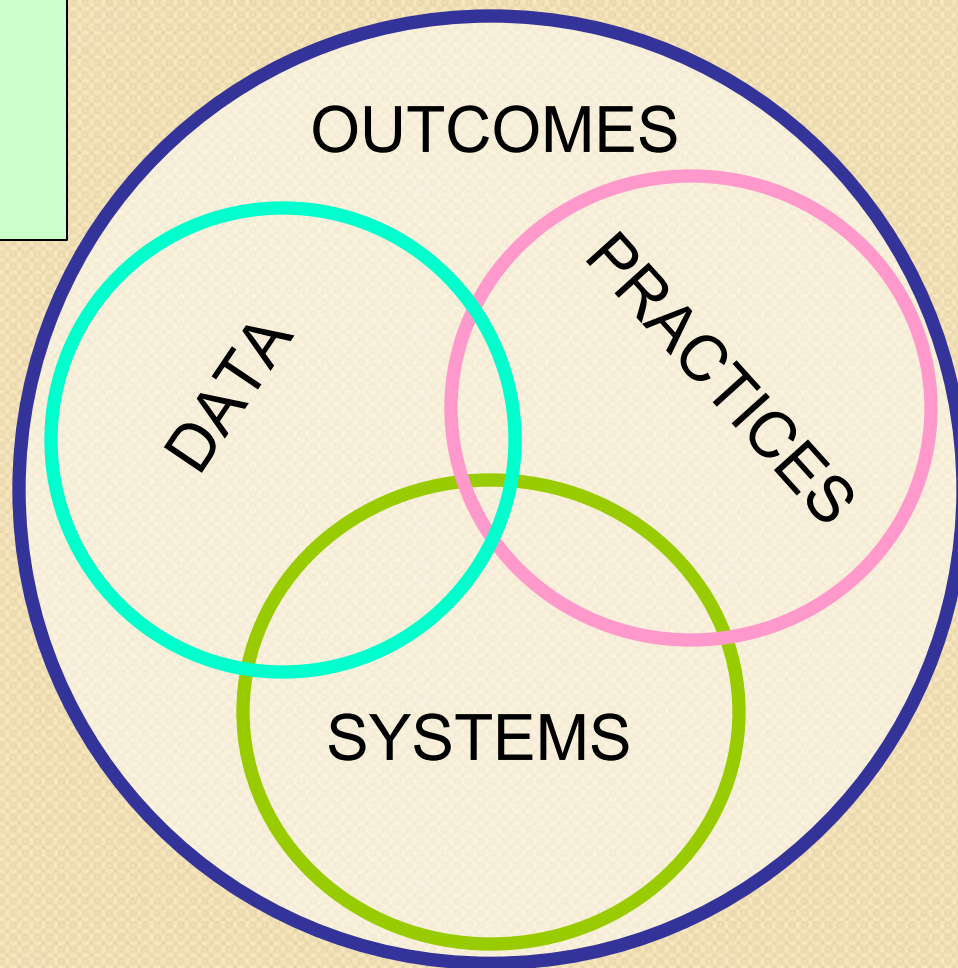

Define School-wide Expectations for Social Behavior

- Identify 3-5 Expectations
- Short statements
- Positive Statements (what to do, not what to avoid doing)
- Memorable
- Examples:
 - Be Respectful, Be Responsible, Be Safe, Be Kind, Be a Friend, Be-there-be-ready, Hands and feet to self, Respect self, others, property, Do your best, Follow directions of adults

Current Research

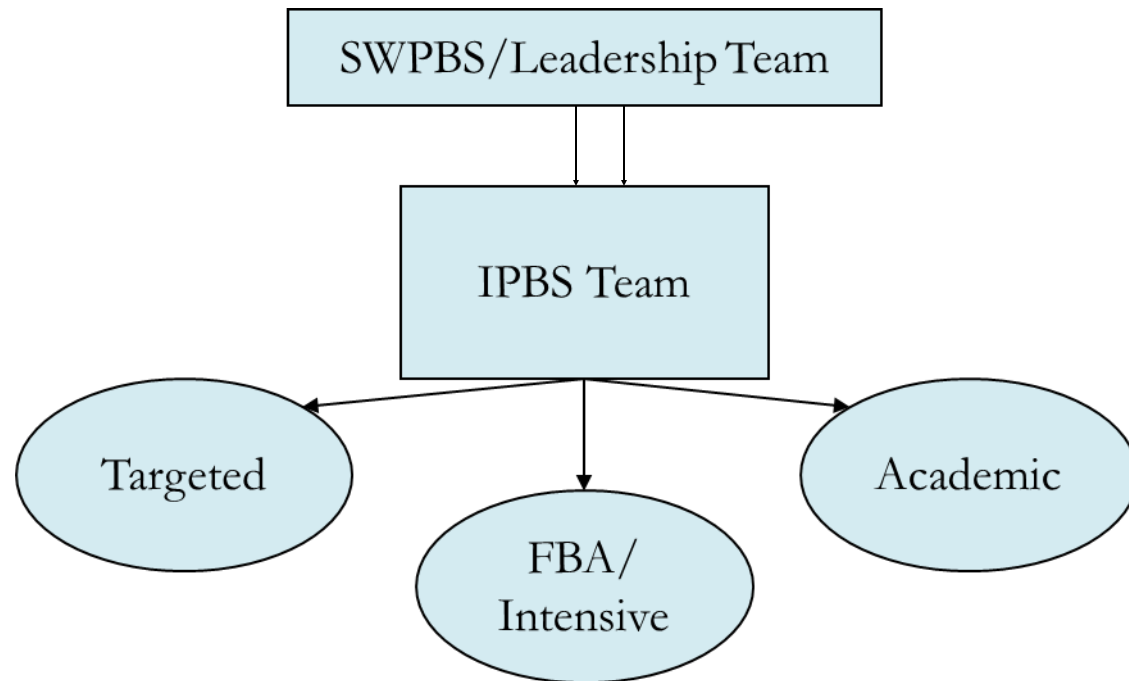

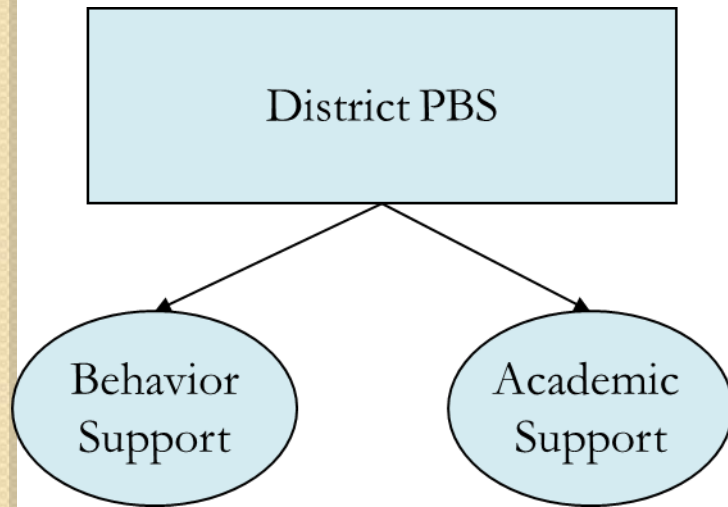

- School-wide PBS is “evidence-based”
 - Reduction in problem behavior
 - Increases in academic outcomes
 - Horner et al., 2009
 - Bradshaw et al., 2006; in press
- Behavioral and Academic gains are linked
 - Amanda Sanford, 2006
 - Jorge Preciado, 2006
- School-wide PBS has benefits for teachers and staff as well as students.
 - Scott Ross, 2006
- Sustaining School-wide PBS efforts
 - Jennifer Doolittle, 2006

Issues

- Building capacity
 - Defining the Wraparound approach with operational precision
 - Building **measures** of fidelity as well as **measures** of outcome
 - Developing the organizational models
 - Teams/ Process/ Administrative Support
 - Professional Knowledge
 - Individuals with skills, experience, knowledge

Summary

- Wraparound supports SWPBS
- SWPBS supports wraparound
- Build integrated support structure
 - Knowledge about student (personal, physical, emotional)
 - Knowledge about context
 - Immediate context
 - Social/ family/ cultural context
 - Knowledge about behavioral theory
