

I. Purpose:

The purpose of Hiring Procedure is to provide clarity on hiring protocols for Crosslake Community School (CCS).

II. General Statement of Procedure

- A. CCS provides equal employment opportunity for all applicants and employees. To that end, the following process will be implemented when it has been determined that there is a need to fill a position.
 - a. The Director will bring a recommendation to the Board of Education (Board) regarding the need for additional staff not included in the current approved budget. Job descriptions for new positions must also be presented to the Board for approval.
 - b. When staff members leave the school or move to another position within the school, the Director may post and hire the vacant position without prior Board approval (provided the position is included in the approved budget). The Director will inform the Board of this action at the next Board meeting.
 - c. Special Education Paraprofessionals may be hired due to student needs that arise without prior Board approval.
 - d. Positions will be posted of (for a minimum of 5 business days or until a position is filled, whichever is longer) via email before being posted externally. In the event that a current employee is being promoted to a new job description due to the restructuring of their current position, the position does not have to be posted.
 - e. Current staff are welcome to submit and email a letter of interest to [hiring@crosslakekids.org](mailto: hiring@crosslakekids.org). Current staff are not guaranteed the posted position. All staff assignments are made with the best interest of the entire school in mind.
 - f. Internal candidates will be considered before external candidates are considered. When an internal candidate meets the required qualifications, interviewing them is optional unless there is more than one qualified internal candidate. Both Directors should be informed, consulted, and in agreement before an employment offer is extended to an internal candidate.
 - g. For external posting, the Human Resources/Business Manager will post position openings in a minimum of two locations including, but not limited to the Crosslake Community Schools' website, MNSchoolJobs.org (required), the Minnesota Association of Charter Schools, Indeed.com, and in the local newspapers as needed. Positions will be active for a minimum of ten (10) business days or until a position is filled, whichever is longer.
 - h. Applicants must be licensed or certified to fill posted positions unless a qualified candidate is not located in which case an out-of-field permission may be able to be applied for, if one is required.
 - i. Qualified applicants will be required to provide documentation of adequate licensure and/or certification depending on the requirements of the position applied for.
 - j. When extenuating circumstances exist, the Directors have authority to override the timeframes listed above for internal and external postings and may hire immediately following the remainder of the hiring procedure.
- B. Create an Interview Team of at least one Director and at least two (2) other staff members who are closely related to the posted position. The Paul Bunyan Education Cooperative may be included in Special Education Teacher interviews.
 - a. Reviewing applications: The Director will review all submitted applications and decide who they would like to interview for the position. The Business Manager will monitor the [hiring@crosslakekids.org](mailto: hiring@crosslakekids.org) email address.
 - b. All candidates who will be interviewed will receive a phone call and/or email about interview dates and times.
 - c. Call for interview - the Human Resources/Business Manager, Executive Assistant or Director will schedule interviews based on the schedule determined by the Interview team. The Team will interview candidates. The Team will determine who will check references and make the phone calls.
 - d. All interview questions must be predetermined and each candidate will have identical questions.
 - e. The Team will determine who calls and informs the applicants of the outcome from the interviews.
- C. Job offering

- a. Before a job is offered, check with the Human Resources/Business Manager for the rate of pay - when determining the rate of pay, no more than three (3) years experience will be given unless pre-approved

by the Board. If a current staff member is moving to a new position, the staff member must be moved to the pay scale that is associated with that position.

- b. When offering a position, the Human Resources/Business Manager will provide an offer letter that states that the applicant will be offered the position once a background check is completed.
 - c. Submit all interview documents and the rate of pay that was offered to the Human Resources/Business Manager.
 - d. Human Resources/Business Manager emails employment paperwork to the new employee.
 - e. Once the background check is cleared, the Human Resources/Business Manager begins the hiring process.
