Curriculum

Spring Grove Elementary held its Kindergarten screening on June 3, 2025. A total of 28 students attended the event. During the screening, students had the opportunity to meet staff members and participated in a variety of assessments, including academic readiness, speech, occupational therapy (OT), and physical therapy (PT).

The next event for incoming Kindergarten students will be Kindergarten Orientation on August 12, 2025, from 9:00 AM to 10:30 AM. We look forward to welcoming our newest learners back to SGE!

School Celebrations

We wrapped up the school year with a fantastic Field Day on May 27. This year's **Color Wars** theme added an extra layer of fun and excitement. With beautiful weather and the support of our amazing parent volunteers, students spent the day rotating through a variety of engaging and energetic stations. It was a joyful and spirited way to celebrate the end of the year!
