**SUBJECT:** Approval, with modification, of student disciplinary hearing recommendation

---

In the February 4, 2026 board closed session to discuss the character, professional competence, or physical or mental health of an individual, the board reviewed hearing officers recommendation that a student be removed to Horizon Academy online for two semesters with a potential to be eligible to attend Horizon Academy in-person at the beginning of the second semester of 2026-2027 for the remainder of the school year.

In accordance with Utah Code 53G-8-205 and WSD Policy 5200, the board determined to approve the hearing recommendation with following modification:

- Student will be expelled from in-person school, and will be provided online services to ensure delivery of special education services.
- Student will be eligible to attend Horizon in person from the beginning of the second semester of 2026-27 for the remainder of the school year.
- If student moves out of state, before re-enrollment in WSD, records from out of state school must be provided to Student Services for a review to determine appropriate placement.
