To whom it may concern:

October 9, 2024

I am seeking board approval for my daughter Emma Rose Anne Fitzgerald to move forward to kindergarten for the 2024-2025 school year. Emma had previously attended the Little Learners program with her sister, Amera Fitzgerald. Since attending the Little Learners program, she has built many relationships with her current classmates and I would like to continue to keep her in school with her friends and sister for the long haul. She has excelled and learned so many things that her and sister share together. It excites her to be on the playground and sharing lunches together as well as memories with her sister. Emma was born September 11, 2022 at 32 weeks gestation, but has excelled greatly in her classroom with bilingual, numbers, and the alphabet. As stated before, I would like to continue her education with her friends and sister for the long haul.

Sincerely,

A handwritten signature in black ink, appearing to read "Marquella Fitzgerald". The signature is written in a cursive, flowing style with a large initial 'M' and 'F'.
