To School Board Members;

Hello my name is Veronica Spotted Eagle. I am the mother of Tia Marie Spotted Eagle. Tia is the third oldest out of my five Children. Tia has two older sister's that have already graduated before Tia. I am very proud of my daughter Tia and all her hard work she has done and her plan to Graduate this year; 2021. I am very pleased with Tia. Tia is a hard worker and willing to try her best and Tia knows her choices and plans she makes will be successful in her near future. I am very saddened to say we lost Tia's dad last April 27, 2020. Tia's dad was really proud of her and always wanted to see his baby girl graduate. It was a hard time for Tia and our family but we continue to take it one step at a time.

Tia plans to be a Veterinarian. Tia loves animals. Tia's grandparents have a ranch on Badger Creek where Tia was raised and the grandparents have cattle along with horses. So, Tia has an idea of taking care of animals and becoming a rancher. Tia also has a plan to become a CNA.

I am very happy to know that Tia has two plans on what she wants to do when Tia graduates and has ideas when Tia enters BCC. Tia has accomplished her plan to graduate from high school. Tia has made me very proud of her and I know Tia's dad would be very proud of Tia.

Thank you, from two very proud parents.

Sincerely,

Veronica Spotted Eagle
