

## **DISTRICT PROGRESS REPORTS**

For the Winter Board Work Session the Board will receive three progress reports for review and discussion:

1. District Progress Report – Quality Staff (Sue Robertson)
2. District Progress Report – Academic Achievement (Jon Bridges)
3. District Progress Report – Information and Technology (Steve Langford & Maureen Callahan)

These reports will be shared in a similar format as follows:

Step 1: Presentation of District data aligned to Board outcomes.

Step 2: Interpretation of the data by District staff. Discussion by the School Board and staff on additional perspectives based on a review of the data.

Step 3: Sharing next steps by District staff. The Board is encouraged to engage in this discussion and explore possible next steps for each of the topics.
