

## **Cafeteria Monthly Report**

### **April 2024**

The Cafeteria had a great month. Spring Break was a treat for all the ladies to enjoy their family and just resting.

During the month of March, we served for 14 days. The staff prepared 4,050 reimbursable breakfast meals and 4,885 reimbursable lunch meals. We sold 1481 cookies and 626 bags of chips and 384 ice cream a la carte.

We have been making sack lunches for the HS teams that leave early for competition and those classes who are going on field trips.

We have filled the necessary reports to see if the school district still qualifies for Community Eligibility Provision (CEP) for the 24-25 school year. The application for NSLP is due in June. The ladies and I are making plans to attend a 2-day summer workshop at Region 20 in June. This helps us stay current on all the changes in the food service industry.

Thank you,
