Independent School District No. 51  
Adam Kluver  
Principal

### FES July 2025 School Board Update

#### **Staffing for the 2025-2026 School Year**

We are very close to being fully staffed for the upcoming school year. This is a big step every summer in being fully prepared for the upcoming school year.

#### **MN Math Corps**

Foley Elementary has been approved for a K-3 Math Tutor position from AmeriCorps. Provided we can fill the position, this would be our first math tutor in the elementary school. Becky Steffenson has agreed to be the Internal Coach for this position. This tutor would join our Early Learning and Literacy Tutors in supporting our students at FES.

#### **Student Placement Parent Notification**

FES will be emailing information to parents about the upcoming school year. This electronic mailing will go out in early August. In addition to my welcome letter, families also receive a welcome letter from their child's classroom teacher. This will be our second year of sending this information electronically, rather than through the U.S. mail.
