We had a successful Parent/Teacher Conference day on October 4th. Twenty-nine members saw 286 parents/guardians – an average of about 10 parents per teacher. Fifteen staff members saw 10 or more parents, with Mr. Svezia seeing the most parents at 28.

We had six students audition for the Illinois Music Education District 5 festival.

We were thrilled to find out that all 5 students who auditioned in choir moved on to the next round. Brock Schoonover, Lucas Diduit, Elizabeth Rich, Boone Elledge and Reine Ray all moved on. In Band, Sarah Lin was accepted for her clarinet audition.

On November 17th these students will attend an all day festival at EIU where they will work and perform and have the possibility of moving onto the All State competition.

The Fall Choir Concert took place on Oct 10th @ 7pm. The program was entitled "All is Autumn".

Here are the current stats for PHS Fall Sports:

Currently volleyball is 23-7 and 5-0 in the conference. Won the Shelbyville Invite and was 2nd at Effingham St. Anthony Invite.

Football is 6-1 and has locked up a playoff spot.

Soccer lost last Friday in the regional - finished 6-15 but were very competitive losing 8 games by less than 2 goals.

Boys golf finished last Tuesday at the regional.

Girls golf had 3 girls advance to the sectionals. But none of the three qualified for state.

Cross country has the SCC conference meet on Monday 10-15

All seniors attended Career Day at Lake Land College this year. According to the coordinator, Mrs. Patton- The annual Career Day at Lake Land College is an exciting day for seniors in Central Illinois. Around 20 schools are invited to attend this event. Lake Land offers a variety of sessions that students pre-select ahead of the visit. These sessions focus on different career focuses and opportunities that students will find while attending Lake Land. Many colleges set up tables at the college fair that is also held that day, so even if seniors are not planning on attending Lake Land, they still have an opportunity to talk to other schools and military branches. We pre-ordered Jimmy John's for lunch on this day (as opposed to eating in the crowded cafeteria), which expedited the lunch process and ensured that all students were able to have lunch. On the way home, several students told me that they really enjoyed the day and learned a lot about different areas that they were interested in exploring after high school.

School Shield Update: Attached is a Flyer that the School Shield program is sending out to local law enforcement to get them interested in signing up for the training. This flyer is only for law enforcement--not public. Training has been scheduled for Feb 4-8.
