MAP Student Goal Setting

ELA and math teachers at every grade level have worked with students to set a Winter Benchmark Goal. The grade level with the highest percentage of students meeting their goal will get a traveling banner hung in their hall for bragging rights.

8th Graders Participate in "Inspire to Hire Event at BSU"

On Tuesday September 24th the 8th-grade class participated in Junior Achievement's "Inspire to Hire" career fair at Boise State University. There they had the opportunity to interact with and ask questions to several post-secondary education representatives and employers from different industries across the state. Many of the organizers and vendors were truly impressed and complimentary of the high level of engagement and respect our students displayed. One particular activity most of the students mentioned they enjoyed and got the most out of was the mock interview with several employers.

5th Grade Math Night

On October 24th the 5th grade teachers hosted a math night. Parents learned current concepts students were working on and students shared their MAP Math goals with parents.
