**Re:** High School Principal Report August 2020

---

We have been busy planning and preparing for registration in the coming weeks. There has been a great team effort in trying to come up with the best possible scenarios to meet the needs of our students both in face to face instruction as well as an online presentation. To accomplish this, we are leaning heavily on the hard work and dedication of our teachers and entire staff. We are excited about the opportunity to meet this challenge head on this coming fall.

We remain cautiously optimistic about our return to school this fall and we are excited to continue to provide our students with the best education possible!
