Re: PRESS Policy First Reading - Issue 118

The Board of Education reviews policies in two readings: the first to discuss the policies and make changes as necessary, and the second to finalize any changes and adopt new policies. The following policies are presented for the Board's first reading. The policies have been modified due to changes in the law, legal references, and a review to ensure policies are up to date. The PRESS documentation is attached for this agenda item. The second reading will occur at the August 12, 2025 meeting.

Issue 118 has changes stemming from the following recent legislation:

Title IX Reversion to 2020 Regulations: On January 9, 2025, the U.S. District Court for the Eastern District of Kentucky invalidated the 2024 Title IX regulations in *State of Tennessee v. Cardona*, reinstating the 2020 rules. On February 4, 2025, the Department of Education's Office for Civil Rights confirmed the 2020 regulations are now in effect and advised schools to promptly review any open Title IX investigations begun under the 2024 rules for compliance with the 2020 standards.

Ensuring Success in School Law: Effective July 1, 2025, the Ensuring Success in School (ESS) Law (Public Act 102-466) adds Article 26A to the School Code, requiring districts to adopt policies and provide resources to support students who are parents, expectant parents, or victims of domestic or sexual violence. These students must be given the services needed to meet educational standards and earn a diploma.

Artificial Intelligence: In response to the growing use of AI in K-12 education, sample PRESS policy 6:325 now includes an optional section on AI-enabled tools. A new sample administrative procedure, 6:235-AP3, offers a framework to help districts develop AI plans and responsible use guidelines tailored to local needs.

Federal Uniform Guidance for Awards: In October 2024, the Office of Management and Budget issued final rules updating and renaming its guidance as the *OMB Guidance for Federal Financial Assistance* (2 C.F.R. Part 200). The revisions aim to enhance management, transparency, and oversight of federal funds and continue to apply to State grants under Illinois' Grant Accountability and Transparency Act.

Sexting: In response to the misuse of technology to create harmful "deep fakes," 720 ILCS 5/11-23.7 (P.A. 103-825) criminalizes the non-consensual sharing of sexually explicit digitized depictions. The PRESS policy 7:190 on Student Behavior now includes an updated definition of sexting that incorporates this offense and related conduct.
