

BOARD REPORT

TECHNOLOGY

May 2026

We are doing end of year testing this month.

We are working on collecting the Senior chrome books back this month.

We are installing new chrome books at Bluffview where needed.

I am updating our Battery backup system.

New network racks are being installed at Bluffview to support the battery backup.

I am updating our firewall subscription.

I am continuing to work on more wireless VLANs to help our wireless infrastructure.

I am installing new wireless access points as needed.

I am installing new teacher desktops as needed.

I am continuing to work on network map and managed switches.

We are working on getting a green screen for Bluffview.

We will be starting summer projects this month. This includes going through each classroom and updating boards and computers. Also, we will be cleaning up the areas with new switches and getting rid of the old.

Working on day to day issues as needed.

I welcome any questions or comments from you. I can be reached at school at x2142, on the cell at 618-301-0487, or by email at laldridge@dupo196.org
