Re: TEPSA LEADERSHIP: Student Council

Robert E. Lee Elementary just received notification that Robert E. Lee Student Council has met the standards to receive the TEPSA Student Leadership Award to honor outstanding student leadership teams and their impact on our school communities in the state of Texas. It is with great pride that the Texas Elementary and Supervisors Association announce that Robert E. Lee Elementary Student Council continues to meet the standards to receive this prestigious award.

Robert E. Lee Student Leaders demonstrated how their leadership has impacted the stakeholders at their school as well as demonstrated how they served their campus and community. It was clear that Robert E. Lee Elementary empowers learners through leadership opportunities. Their commitment to learner success is commendable.

TEPSA Project Directors for Student Leadership are proud to announce that they had 96 student leadership teams across the state of Texas meet the rigorous criteria. They will honor the Campus Principal of the leadership team at the TEPSA Summer Conference.

TEPSA appreciates your support of student leadership. Go Rebels!
