Leadership is a quality that is hard to define, but remains critical to our society. CABE has developed criteria that help to define leadership. Your Principal received a list of these criteria and was asked to name Derby High School students who met them. Your Principal considers you such a School Leader!

We are pleased to present you, together with other Student Leaders across Connecticut, with our twenty-fourth annual CABE Student Leadership Award. You should take pride in the recognition bestowed upon you. We encourage you to continue to think and act like a leader.
