

DU PAGE ELEMENTARY SCHOOL DISTRICT 13
BOARD OF EDUCATION
Bloomington, Illinois
Regular Meeting November 27, 2023

FOR DISCUSSION

Subject: 2024-2025 School Calendar Draft

Attached is the DRAFT of the 2024-2025 school calendar for District 13. The District Leadership Council helped in the development of this draft over the course of two meetings earlier this fall.

One unresolved issue that will likely involve amending the calendar after it is brought for Board approval in December will be the day and number of early release days. Several districts, including Lake Park High School, take a day off weekly for the purpose of team meetings and other collaborative tasks for their staff. District staff may be interested in doing something similar, which could streamline faculty and team meetings as well as create opportunities for committees to meet during the school day. This would reduce the costs associated with compensating teachers per their contract after school hours when committees have historically met.

I will be happy to answer any questions you may have.
