BECKER PUBLIC SCHOOLS

12000 Hancock Street
Becker, MN 55308-9585

Nathaniel Boyer
Intermediate School Principal
Phone: 763-261-4504
nboyer@isd726.org

Dear Families:

With the 2022-2023 school year right around the corner, the staff at Becker Intermediate School invites you to join our team to make this an outstanding year for your child.

Students in grades three, four, and five are served at Becker Intermediate School. It is our mission to provide a safe and respectful environment that promotes independent learners. Our focus is on positive student achievement in and out of school. We teach organizational skills and encourage all students to be excited and motivated in their own learning.

At Becker Intermediate School, we strive for student engagement throughout the learning process. We sponsor numerous activities throughout the year that are fun and encourage community building. Each trimester we host celebrations to recognize outstanding academic and behavioral successes, and each grade level takes field trips. We also offer fundraiser days throughout the school year such as: hat days, pajama days, stuffed animal days, etc. in which students are invited to participate for a \$1 fee, all of which helps to defray the cost of field trips. Another fundraising opportunity in the fall that we host is the annual Rock Jogger. Throughout Rock Jogger day, the students practice physical fitness while raising funds for further opportunities for our students throughout the school year.

Volunteering, support, and participation are always welcome in school. We have many parents and community members who volunteer in our classrooms through book clubs, math support, and field trips. With busy schedules, we also know that it is difficult to come into the school to volunteer due to individual schedules. Our shared partnership is greatly appreciated. The support that you provide us in valuing education and ensuring our kids come to school prepared with their work completed, is second to none. We encourage our students to strive for a 97% or higher attendance rate daily. With this we thank you for your support in getting your kids to school on time each day. It truly matters!

It is also extremely important to us that we work towards a Bully Free Zone at Becker Intermediate School and on our busses. We must have students let us know when these things are taking place so that we can act on them and investigate what is happening. It is encouraged that our students inform their parents / guardians of this type of behavior, with the understanding that the school must be informed immediately as well. We will continue to work with each and every incident in a timely manner.

We continue to encourage communication and positive relationships between our staff and families. This fall we will have two assessment days for parents / guardians, students, and teachers. These days allow our teachers to learn a bit about each child on an individual basis. It will also provide the time for us to gather assessment data needed to address the individual learning needs of each student. We truly believe that the assessment days are of great importance to staff, students, and families to start the school year in a positive manner.

We look forward to working together with you to support your child! The staff at Becker Intermediate School is once again looking forward to the opportunities that stand ahead of us this school year. Please feel free to reach out to us and let us know what we can do to help make this a successful school year for your child.

Respectfully,

Nathaniel Boyer
Becker Intermediate Principal

Preparing self-directed learners to thrive in a changing global community.

TRUST

Intermediate School Core Beliefs

We believe that Intermediate Elementary students need a nurturing, respectful and welcoming environment to learn.

We believe that Intermediate Elementary students need to be provided safe opportunities to explore and develop independent study skills and habits.

We believe that Intermediate Elementary students deserve and need to be held accountable to high standards.

We believe that Intermediate Elementary students need to be guided to develop empathetic and respectful problem-solving skills.

We believe that academic success for Intermediate Elementary students is a responsibility that is shared by students, parents and the school staff.

School Day

Arrival and Dismissal Procedures:

Beginning Time: 8:00 a.m. **Ending Time:** 2:42 p.m.

Students should not arrive at school before 7:40 a.m. Please make arrangements with the Principal if your child needs to be at school before 7:40 am or after 2:45 pm. If it is a recurring issue, contact Camp Opportunity.

Morning Arrivals:

Safety Patrols are on duty at 7:40 a.m. to help students cross streets safely. Any student arriving after 8:00 a.m. must get a pass from the office. Students not in their classroom at 8:00 AM are considered tardy. Students leaving before 2:42 p.m. will need to be checked out at the office by the adult signing the child out of school.

During the Day Student Check-out:

Parents who need to pick up their child before the end of the day need to check out their child at the main office. Children will not be dismissed from the classroom. All students will be sent to the office for early dismissal or checkout.

Evening Pickup:

Parents picking up students should do so on the school side of Third Street. If parents use the parking lot adjacent to the bus-loading zone to pick up students, please use the marked crosswalks to cross between the buses. Parents who come into the school building need to wait in the lobby for their student(s). Be sure your car is out of the circular drive before the buses line-up at 2:20 - 2:30 pm or you may be trapped in that area until the buses leave at 2:50 pm.

Cancellation and/or Early Dismissal:

Cancellation of school takes place only during extraordinary circumstances such as bad weather, health risk, or power failures. The District has an automated calling system that will send a message to all homes with phone numbers listed in the student management system (Skyward). All closures and alterations of the school day will also be broadcast on WCCO (830) and WJON (1240) radio or WCCO (4), KSTP (5) and KARE (11) television. Please have an emergency plan in place and have updated emergency numbers reported to each building office. Alternative arrangements need to be made prior to an emergency. Do not call the schools in an emergency as this clogs phone lines and slows evacuation procedures. If necessary, the school will call you at the numbers on your emergency card.

Crossing Guards/Safety Patrol:

Minnesota State Highway Patrol trained student crossing guards are present on Hancock Street at the intersection of Rye Street as well as the corner of Hancock Street and Third Street. Please be advised that when these students are present and have the orange safety flag extended all vehicular traffic must **STOP**. Any vehicle running an extended flag will have their license number reported to the Becker Police Department. Also, please do not cut the corner of Hancock to Third Street short as this could result in an injury to students. Your cooperation is appreciated.

FOOD SERVICE

FOOD SERVICES:

Breakfast, lunch and milk prices for the 2022-2023 school year are as follows:

- First Breakfast - \$ TBA
- First Lunch - \$ TBA
- Extra Milk - \$ TBA per carton

A LA CARTE: Extra items will be available daily for purchase at the middle school and high school levels. These items will be billed to the family account. *We strongly recommend that parents/guardians discuss ala carte choices, expectations, and spending limits with your child(ren) at the beginning of the year.* The student will need to enter his/her 4-digit lunch pin number when purchasing extras. Prices for ala carte items can be viewed on the district's web site or a price sheet can be sent home if requested.

Lunch money is collected in the main office daily and deposited in family accounts. We recommend that lunch money is brought to school by the oldest child in each family and deposited at his/her school. Students will be notified when their family account is at \$5.00 or below. We appreciate your cooperation in keeping accounts current.

~~Although meals are free for all students,~~ Applications for the free or reduced lunch program will be sent home at the beginning of the year and are available at each school and the district office and we strongly encourage all families who may be eligible to apply. Students in households that meet the free or reduced-price meal income guidelines will generate additional aid for the school district such as Compensatory revenue, Title 1 Federal Aid, and technology funds. This aid is critical in providing instructional services for at-risk students and students who are behind their peers. The funding allows the district to provide additional remedial instruction for students, offer free or reduced price meals, reduced price activities, fees and district-provided hotspots.

Becker Intermediate School Supply List

2022-2023

Headphones for the computer labs will be on sale during our Assessment/Conference days. Please do not buy different headphones as not all will work on the computers.

Please mark all items with your child's name or initials.

3rdGrade

- Whiteboard eraser
- Ticonderoga Pencils -24 pack – Sharpened
- Crayola Colored pencils - 1 Box of 12 count
- Crayola Crayons – 1 box 24 count
- Composition Notebook – Wide Ruled
- Expo - Dry Erase Markers – 4 count
- Eraser – Large pink eraser
- Pocket folders – 4
- 1 - Elmers school glue
- Elmers glue stick – 4 pack
- 1 Highlighter – yellow
- Crayola markers – 8 count Classic Colors
- 2 notebooks – One Subject wide ruled
- 2 red pens (not 2 packs)
- Pencil Box – 5x8x2 – plastic
- Scissors
- Bike Helmet (for Phy Ed)
- Headphones
- 2 boxes tissues
- 2 disinfectant wipes
- 1 box gallon ziplock bags

4thGrade

- 1 Colored pencils (24 count)
- Headphones (Mandatory)
- 1 Black permanent Sharpie marker
- 1 Watercolors (set of 8)
- 6 Glue sticks
- Ticonderoga Pencils - #2 (24 count; sharpened)
- 1 Dry erase marker
- 2 Single subject notebooks (wide ruled)
- 2 Two-pocket folders (plastic)
- 1 box of Classic colored markers
- 1 Scissors
- 1 Highlighter
- 1 Pencil box (approx. 5x8)
- 1 Ruler (in. and cm.) NOT bendable rulers

Preparing self-directed learners to thrive in a changing global community.

- 1 Backpack (no wheels)
- 1 Bandana (PE)
- 1 Kleenex box
- 1 Clorox wipe
- iPad Insurance \$30-payable online

Recorders will be on sale during our Assessment/Conference days for 4thGrade Students only. Please do not buy a different Recorder as we would like you to have a specific type.

5thGrade

- Colored Pencils- 24 count
- Dry Erase Markers- 4 count
- Dry Erase Eraser
- 4 Sturdy pocket folders: Blue, Green, Yellow, Red
- 4 Jumbo glue sticks
- 1 Highlighter
- Ruler (Cm and Inch: Not Flexible)
- 5 notebooks: Blue, Green, Yellow and 2 Red
- 24 Pencils- Sharpened
- Pencil Sharpener (Non electric)
- Pencil Pouch/Box
- 5 Red Pens
- Scissors (Pointed tip)
- 2 Fine tip Sharpie Markers
- 2 Ultra Fine tip Sharpie Markers
- 1 box of Tissues
- 2 Disinfectant Wipes
- Headphones
- Stylus
- White T-shirt (Size up) in a gallon sized Ziploc bag
- iPad Insurance \$30-payable online

ACADEMICS

Academic Services and Alternatives:

Speech & Language:

Programming is provided for students who qualify under the federal guidelines for services including speech fluency, articulation and production. Also, services are provided for students with language delays or disabilities as defined by federal law.

School Psychologist:

The services of a school psychologist are available for testing and consultation. Referrals to the psychologist are part of the MTSS (Multi-tiered System of Supports) team process.

Special Education Services:

Students who qualify for service under state and federal guidelines have an Individual Education Plan developed to address their individual needs. Once an IEP is signed, services are provided by the Special Education staff and reflect the IEP goals.

Curriculum:

Reading & Language Arts: Becker Intermediate uses the Journeys materials in grades 3-5.

Spelling: The Intermediate uses the 'no excuse' words along with the words presented in the reading program. Word study and phonics instruction are built into lessons.

Mathematics: The Becker School District uses the Everyday Mathematics series. This series emphasizes logical math processes rather than computational skills only. Skills are taught, then reviewed continuously.

Social Studies: The social studies program begins with a study of communities and expands the study to all regions of the United States. American History from Columbus to the Vietnam War is also taught.

Science: The science program is a hands-on inquiry-based program. Some of the units taught are electricity and magnets, weather, landforms, minerals etc.

Music: The program progresses from basic sound recognition to harmony, phrasing and performance in general music for grades three, four, and five.

Physical Education: The Physical Education program provides instruction in fitness, individual and team sports as well as movement through rhythm and dance. Cooperative play and sportsmanship rather than competition are the focus.

Assessments:*Minnesota Comprehensive Assessments:*

All three grade levels take the MCAs in the spring of each school year. These assessments in the areas of reading, mathematics and science (fifth grade only) are state generated tests that are designed to be a benchmark that measures how each child is progressing in the District's curriculum compared to other students at the same level within the state of Minnesota

Fastbridge

All three grades take the Fastbridge Assessment each year. This assessment is used to show growth over time. It is a computer-generated test with results within 72 hours.

Parent/Teacher Conferences:

Parent/Teacher Conferences are scheduled in the fall and winter. Teachers or parents can request a third conference in the spring or other times they feel a need to meet. Check the District calendar for dates and times. Conferences are a valuable communication tool for both the parent and the teacher. Parents are encouraged to prepare for the conference by talking to their child about concerns or questions the child may have. Parents are encouraged to write out any questions they might have so those topics get covered during the conference. Parents who have questions or concerns are encouraged to call and/or meet with their child's classroom teacher at times other than the conference days. Please call in advance to set a meeting time with a teacher. It is difficult, sometimes impossible to get classrooms covered at the last minute.

Report Cards:

Report cards will be issued electronically at the end of each trimester. All report cards can be accessed on the Skyward program. Grades 3, 4 and 5 use a scale of (E) Exceeds Standards, (M) Meets Standards, (P) Partially Meets Standards (GA) Growth Area. Personal Development is reported with a (S) Satisfactory and (N) Needs Improvement. Paper copies of report cards may be issued at the request of a parent or guardian.

ACTIVITIES

The Intermediate School sponsors several after school activities throughout the school year.

Community Education Classes:

Community Education offers classes for 3-5 grade students throughout the school year as well as the summer break. For more information call the Community Education office at 762-261-4506 or go on-line to becker.k12.mn.us and click on Community Education.

Friday Fun Nights:

The Intermediate staff may offer this activity for Intermediate students only. No parents, no friends and no relatives allowed. This is an activity that allows the 3-5th graders an opportunity to play and have fun with their peers. The activity costs \$5 or \$10 at the door. This money is used to augment field trip costs. This activity starts immediately after school and ends at 4:50pm. Parents must pick up their child by 5:00pm.

ATTENDANCE

Absence Procedures:

If your child is going to be absent please call 763-261-4504 either before school in the morning or before 9:00 a.m. If the office does not receive a call by 9:00 a.m. the office will attempt to call the home.

Excused and Unexcused Absences:

The State of Minnesota requires that all children between the ages of 7 and 16 attend school all days that school is scheduled. If a child's attendance is sporadic they can be considered truant if over the age of 12 and victims of educational neglect if under the age of 12. It has been proven that good school attendance contributes to success in academics. The Staff of Becker Intermediate Elementary School want to see all children in school every day. However, we all realize that there are reasons children need to be excused from school.

Excused absence:

Illness, injury, death in the family, family emergency, court appearance, medical appointments (doctor, dentist, psychologist, etc.) Whenever possible, it is appreciated if medical appointments are scheduled outside of the school day. Family trips will be excused if there is prior administrative approval. Please arrange family trips to match the school calendar whenever possible. Prearrangements must be made with the teacher for all work missed.

Unexcused absence:

Includes but is not limited to; missed bus, over sleeping, bus suspension, baby-sitting, shopping trip. If a child has excessive tardies or the school is not notified by phone or by note the absence is recorded as unexcused. Keeping a child home if they do not attend a field trip is considered an unexcused absence.

Procedures for Excessive Absences:

Becker Intermediate School will monitor absences and tardies that are 10% or greater of the academic year.

STEP 1 - A phone call to parents expressing concerns about absences or tardies,

STEP 2 - A letter is sent to parents outlining attendance concerns. The letter will recommend a conference with parents and school officials.

STEP 3 - A letter is sent to parents indicating continued concerns. This letter will also require a physician's note for any further absences or absences will be unexcused.

STEP 4 - As soon as there are three or more UNEXCUSED absences a letter will be sent notifying parents of a referral to the County Attorney.

STEP 5 - As soon as there are seven or more UNEXCUSED absences, the school will file educational neglect with the Sherburne County Attorney.

What is considered tardy?

Any child who arrives after the starting time (7:50 am) is considered tardy. After 20 minutes of the school day beginning, they are considered 1/2 day absent. This 20-minute rule applies to the end of the day also.

What is considered a half day absent?

Any child arriving after 8:50 a.m. but before 11:40 a.m. is counted half day absent. Any child leaving after 11:40 but before 1:40 is counted 1/2 day absent.

CODE OF CONDUCT/DISCIPLINE

The term discipline has many meanings. Discipline is the training of the mind or character. It is also a system of rules or an order among members of any group. The policies of the Becker School Board, the laws of the state of Minnesota and the Constitution of the United States of America govern the students and staff of Becker Intermediate Elementary. Whenever possible, the staff of BIES will use inappropriate behavior as an opportunity to teach proper behavior. Consequences for misconduct will be appropriate to the behavior and gradually increasing in severity in accordance with all local policies as well as state and federal laws.

Providing a safe and nurturing educational environment is our number one goal.

All behavioral issues are dealt with as quickly as possible. Parents will be notified of behavioral issues. All concerns reported by students, parents, teachers or other staff members are investigated and dealt with as outlined in the District Discipline Policy. Information concerning behavioral issues and the consequences for behavior violations are protected by data privacy regulations.

Adult & Visitor Code of Conduct:

All adults at Becker Intermediate Elementary School are expected to be positive behavioral models for students. Obscene and/or foul language, threats or yelling will not be tolerated. If necessary, adults will be asked to leave the school and return when they are in control of their emotions and behavior so that problem solving can happen.

Behavior Expectations:

Becker Intermediate Elementary School expects staff, students and families to:

- **Show Respect**
- **Show Ownership**
- **Making Choices that are right**
- **Show Kindness**
- **Show Safety**

Behavior Management Student Expectations

INTERMEDIATE ROCKS – Student Expectations:

INTERMEDIATE ROCKS are the expectations that we have developed for ALL students at Becker Intermediate School. These have been developed to create a calm and peaceful learning environment for all students and staff. Students will be reminded of this throughout the school year and also recognized for their commitment to *INTERMEDIATE ROCKS*.

Behavior Management Response to Behaviors:

The purpose of the school’s response to behaviors is to encourage appropriate behavior and self-monitoring through class management, explicit teaching, modeling, communication, inventions, and restoration as needed. Teachers manage their classrooms by creating a classroom community with rituals, routines, and procedures. We explicitly teach students to show respect to all adults in the community when a reasonable request is given, regardless if the adult is their direct teacher. Occasionally students may need support from the administration team. These would be classified as an office referral. At Becker Intermediate we define an office referral as behavior exhibited by students that are managed by the office or office-managed.

- Staff-managed behaviors are considered minors infractions and are processed with classroom responses.
- Office-managed behaviors require a staff member to complete an office referral.
- To ensure the behavior is addressed by the office, staff will complete OR as communication is occurring (before office contact, during contact, or immediately following office contact-within 60 mins.)

Observe Problem Behavior

Warning/Conference with Student

Is the behavior administrator managed?

NO

YES

Staff Managed (MINOR)	Office Managed (MAJOR)
It is the expectation that staff will manage the following behaviors (and keep individual records of this on file):	It is the expectation that staff will complete an office referral (OR) and contact administration for the following behaviors:
<ul style="list-style-type: none"> • Unprepared for class • Dress code violation • Tardiness • Electronic devices/cell phones • Possession of candy, gum. • Sleeping in class • Academic dishonesty • Leaving the room without permission 	<ul style="list-style-type: none"> • Weapon/Explosive Device possession • Threats of weapon/Bomb • Possession of medication • Possession/Use of alcohol, tobacco, other drugs or paraphernalia • Fighting (Serious; Harm; Planned out; Targeted)

<ul style="list-style-type: none"> ● Theft (minor-items taken under \$10) ● Inappropriate language ● Inappropriate behaviors in the following areas: <ul style="list-style-type: none"> ○ Hallway ○ Recess ○ Locker ○ Classroom ● Non-compliance with staff direction ● Peer conflicts ● Minor disruptions: throwing objects, personal toys, etc. ● Threat (based upon threat assessment, the probability that they would take action, previous similar issues, public) ● Physical Aggression (e.g. not limited to: Non-serious, no harm, result of recess game) ● Verbal language ● Threat of violence ● Vandalism/property damage 	<ul style="list-style-type: none"> ● Theft/Burglary (major-item taken over \$10) ● Inappropriate behavior ● Truancy ● False fire alarm/false alarm ● Bullying (refer to district policy and definition) ● Continued violation of staff-managed behavior (post interventions and family involvement) ● Insubordination of administrators request
---	--

Examples of Staff-Managed Responses to Behaviors:

- Proactive-
 - Morning meeting (greeting, sharing, group activity, morning message)
 - Explicitly teaching classroom expectations
 - Interactive modeling
 - Quiet Time
 - Brain breaks/energizers
- Reactive-
 - Visual and verbal cues
 - Increase proximity
 - Reinforcing teacher language
 - Reminding teacher language
 - Redirecting teacher language
 - Logical consequences
 - Take a break/buddy room

Examples of Office-managed Response to Behaviors:

If a staff member completes OR, administration will determine the response. This may include, but not limited to:

Preparing self-directed learners to thrive in a changing global community.

- Repair sheet (think sheet)
- Restorative processes
- Relationship building activities with student(s) or staff
- Behavior Chart
- Referral to check in/Check out
- Take a break in class
- Take a break out of class (buddy room)
- Scheduled breaks
- Adapted recess, lunch according to restorative processes or logical consequences and others.

If proactive and reactive processes have been used and a child needs to be removed from the classroom for an office-managed behavior, complete and call the main office. Staff are expected to supervise students and should not send students to the office or hallway unsupervised. Staff are expected to wait with students until office staff have made contact.

Teachers are expected to communicate timely and frequently with parents regarding behaviors. Continued violations of staff-managed behaviors should not be referred to the office without first involving parent/family.

Bullying: (Policy 514)

“Bullying” means any written or verbal expression, physical act or gesture, or pattern thereof, by a student that is intended to cause or is perceived as causing distress to one or more students and which substantially interferes with another student’s or other students’ educational benefits, opportunities, or performance. Bullying includes, but is not limited to; conduct by a student against another student that a reasonable person under the circumstances knows or should know has the effect of:

1. Harming a student;
2. Damaging a student’s property;
3. Placing a student in reasonable fear of harm to his or her person or property; or
4. Creating a hostile educational environment for a student.

Consequences for students who commit prohibited acts of bullying may range from behavioral interventions up to and including suspension and/or expulsion.

Harassment:

Everyone in District 726 has a right to feel respected and safe. Use of words (verbal or written), pictures, actions, touch or gestures that make another person feel uncomfortable will be considered harassment and will not be tolerated. Bullying is considered a form of harassment and will not be tolerated.

School Resource Officer (SRO):

The SRO is an investigator with the Sherburne County Sheriff's Office. One responsibility of the SRO is to respond to acts committed in school that may be deemed unlawful. As an officer of the law, the SRO may cite violations and process charges through the county attorney's office.

Searches:

Students are assigned a locker and a desk to keep their school and personal belongings. School personnel have the right to search lockers or desks. Periodic searches happen for the purpose of finding work and or related to safety and discipline issues.

Lockers:

The school provides lockers for all students. Some students may need to share a locker with one other student. All lockers are assigned by the classroom teacher. Students are expected to keep the locker assigned to them clean. Students are expected to respect the property of others and stay out of lockers assigned to others. The lockers remain the property of the Becker School District and therefore can and will be searched routinely. Only locks provided by the school may be used on lockers; all others will be cut off the locker. Any locks ruined in the process of removal are the responsibility of the student. (A complete copy of this and all District policies can be accessed on the District Website; www.becker.k12.mn.us)

Student Transportation:

Students may only ride on the bus they have been assigned. Because the buses are operated at student capacity, a child who is visiting a child on another bus route, must provide their own transportation. Parents are responsible for their child's transportation from any after school activity.

Riding the bus is a privilege not a right.

Students are expected to follow the same code of conduct on the bus as they have in the classroom. All rules and regulations found in the *RULES of CONDUCT of BOARD POLICY* will apply.

- 1.) Students need to be at the stop by the time the bus arrives and be waiting on the side of the road.
- 2.) Students are to remain seated while the bus is in motion.
- 3.) Students are to keep their hands, feet and personal articles to themselves. This includes keeping the aisle open at all times.
- 4.) Students are not to use foul or obscene language or gestures.

- 5.) Students are to maintain a reasonable noise level to ensure the driver can hear traffic noise and trains.
- 6.) Students should not extend any part of their bodies or other objects from the windows or door of the bus.
- 7.) Students are to keep the floor and seats clean from refuse and gum.
- 8.) Students are not allowed to have any articles on the bus which the driver deems unsafe or a nuisance.
- 9.) The bus driver has the right to give additional directions to students which he/she believes are necessary for the safety of the students on the bus.
- 10.) Students must ride their assigned bus. Any exception must be cleared by the Becker Intermediate Elementary Office.

Consequences:

Failure to comply with the above safety regulations could result in one or more of the following consequences:

- 1). Verbal warning from the driver
- 2). An assigned bus seat for a specified period
- 3). A parent contact by the driver and/or principal.
- 4). A misconduct form being sent to the principal which may result in:
 - A. Student/principal conference, possible loss of freeplay.
 - B. Parent/student/principal conference for second conference for second misconduct offense.
 - C. School disciplinary action
 - D. Suspension of bus transportation privileges for a specified period.
 - E. Recommendation to the School Board for permanent exclusion from transportation services.

The school is legally liable for services from the time they board the bus until they are dropped off at the bus stop. For this reason, students are not permitted to leave school grounds once they are dropped off at school. Students are not permitted to get off the bus at any building but the building where they attend school.

Weapons Policy:

No student shall possess a weapon when in the school building, or any articles normally used to harm or intimidate another person on school grounds or on any school sponsored trip or activity. Toys designed to look like weapons are also prohibited.

GENERAL INFORMATION

Birthday Celebrations:

In the interest of reducing distractions during the academic day, birthday celebrations need to happen outside of the school day. This includes sending flowers, balloons etc. Flowers and balloons will not be delivered to classrooms. Because of allergies and the growing number of student families who cannot afford treats, we are discouraging students from bringing treats for their birthday. Due to lack of space, students are not allowed to bring overnight things to school.

Communication:

In an effort to keep parents as informed as possible a trimester Newsletter is inserted in the *Citizen* newspaper per trimester. If for some reason your family has not received the trimester newsletter a copy can be picked up at any of the School District's offices. All teachers and administrators have e-mail and voicemail. Many staff members also have web sites. In addition, periodic newsletters or announcements of special events are sent home with students, when parents have questions concerning their child's progress, curriculum, homework or discipline issues, they are encouraged to call or contact the classroom teacher via e-mail. Phone calls will not be put through to the classroom during the academic day. Parents can leave a voicemail message that the teacher will respond to as soon as possible. If the problem cannot be resolved or the teacher has been unable to return your call or e-mail, please call the Principal at 763-261-4504. If your child reports bullying or other types of harassment to you, please call or come in to talk to the Principal or teacher about the incident as soon as you become aware of the incident. We investigate and deal with all cases of bullying in accordance with our discipline policy.

Data Privacy:

According to Federal Data Privacy law, most information collected by a school falls under the umbrella of data that is protected. Data privacy laws protect information concerning discipline issues, as well as consequences resulting from a behavioral incident. Any parent who has questions concerning data privacy is encouraged to contact the building principal. Staff members are trained to never release information about students to anyone except custodial parents.

Release of Student Directory Information

In accordance with the Minnesota Data Practices Act, Becker Public Schools may release the following information without permission unless the district has been notified that it should not be released. Under the federal law, directory information includes the following information relating to a student:

1. Students name, address and telephone number
2. Student's gender and date and place of birth
3. Major field of study

4. Participation in officially recognized activities and sports
5. Weight and height of members of athletic teams
6. Date of attendance and grade levels completed
7. Degrees and awards received
8. The most recent previous educational agency or institution attended
9. Photographs for school district publications and local newspaper

The Becker School District considers all of the above to be "Directory Information" as well as the publication of the quarterly "honor roll". Federal rules define directory information to mean, "Information contained in the education records of a student which would not generally be considered harmful or an invasion of privacy if disclosed." 34 C.F.R., Sec. 99.3.

A parent or adult student has the right to refuse to permit the designation of some or all of the categories as directory information with respect to that particular student. If, as parents, or adult student, you wish not to have any or all of the above information to be considered "Directory Information," you should contact the Intermediate School Office in writing by September 30.

Student Dress & Appearance (Policy 504):

It is the intent of Becker Schools to enhance the education of students by establishing expectations of dress and grooming that are related to educational goals and community standards.

1. Tennis shoes are required for physical education classes each day.
2. Students will need to have warm clothing at school and available. All students will have an outdoor recess for about 20 minutes daily. (exceptions : extremely cold or rainy days., illness or injury)
3. All outerwear (jackets, hats, mittens, snow boots) are to be placed in the student's locker during school hours. Hats and scarves or bandanas are not to be worn in school except on special occasions.
4. Clothing needs to cover the midriff and cleavage. No under garments are to be showing.
5. Cologne, perfume and deodorants with a powerful odor should not be used in school.

The following clothing is not permissible:

1. Clothing bearing a message that is lewd, vulgar, or obscene will not be allowed.

2. Apparel promoting products or activities that are illegal for use by minors will not be allowed.
3. Objectionable emblems, badges, symbols, signs, words, objects or pictures on clothing or jewelry communicating a message that is racist, sexist, or otherwise derogatory to a protected minority group, evidences gang membership or affiliation, or approves, advances, or provokes any form of religious, racial, or sexual harassment and/or violence against other individuals as defined in Becker School District Policy 413 will not be allowed. This includes representations of confederate flags, swastikas, KKK signs and similar symbols, and applies to school property or school sponsored events on or off of school property including the parking lot and school buses.
4. Any clothing which a faculty member finds to be offensive or which interferes with the learning environment will be reported to the office. The student may be asked to change the clothing, call a parent for other clothing, or be sent home to change.

Emergency information:

Emergency information is updated and collected each fall. That information needs to be on file at the school office with accurate and updated phone numbers. Family plans in case of an emergency need to be outlined and presented in the fall at the School Office.

Crisis Plan:

Becker Intermediate has a Crisis Plan in place to deal with the unexpected. Students and staff participate in periodic drills throughout the school year so that we are prepared in case of an emergency. If parents are in the building during a drill, please follow the directives of a staff member.

Emergency Cards:

Parents/guardians need to fill out an emergency card with up-to-date information. This card is used in case it is necessary to contact parents because of an accident, an early dismissal or other reasons. Parents/guardians are asked to keep the Intermediate Elementary Office (763-261-4504) informed if there are changes in address, home or work phone numbers during the school year.

Emergency Drills:

Becker Intermediate Elementary School will have periodic fire and tornado drills with students. Staff members and students will also have intruder drills throughout the school year. All drills are done in an effort to be prepared in case of an emergency. If you are in the building during an emergency drill, please evacuate the building or move to the designated area.

Emergency Plan:

The Becker School District has an emergency response and evacuation plan in the event of a nuclear accident or terrorist event. Parents are urged to get information from the radio or TV. **DO NOT CALL OR COME TO THE SCHOOL AS THESE ACTIONS WILL PUT CHILDREN AT RISK BY CLOGGING COMMUNICATION LINES AS WELL AS BLOCKING ESCAPE ROUTES.**

Field trips:

Students at Becker Intermediate School will have the opportunity to participate in several field trips during the school year. These field trips are selected to enrich the curriculum being presented. There is a cost involved with these trips. If parents are having difficulty with the costs they can call the classroom teacher or the Principal as we have limited scholarship funds available. Parents who have other objections to a field trip and choose to have their child not participate need to contact the teacher. Students who do not participate in a field trip activity are expected to attend school that day or be counted as an unexcused absence. Alternative activities will be planned for your child.

Chaperones:

Parents who volunteer to chaperone for their child's field trip are expected to help supervise the students on the bus and at the event.

- 1.) Keep students in your group together and accounted for
- 2.) Have students in your group sit in front of you on the bus.
- 3.) Hold students accountable for their behavior
- 4.) Report students who refuse to follow directions to the teacher as soon as is practical.
- 5.) On the bus, students are to stay seated and talk quietly.
- 6.) At the venue students are to walk, stay with their group, and listen to speakers quietly and respectfully.

Permission Slips:

Students are required to have a slip signed by parent(s) or guardian(s) and returned to school before participation on any field trip outside of the District boundaries.

Foods:

Power/energy drinks are discouraged in school. Students are discouraged from having gum or candy in school. If a teacher allows gum or candy as a special treat it needs to be eaten or disposed of in the classroom.

HEALTH SERVICES

Students who become ill during the school day should report to the nurse's office. A brief assessment will be made to determine if the child should be sent home. If there are no obvious symptoms, the student may be allowed to rest and then will return to class. If there is a need to go home, the nurse or office will inform the parent/guardian and the student will be released from school. Students need to refrain from texting or calling parents to pick them up because they are ill. If this procedure is not followed, and the student leaves without properly checking out, the student will be considered absent, unexcused, and regular school disciplinary action will be taken.

Typical reasons children are sent home include, fever of 100 degrees or more, vomiting, diarrhea, rash or other suspicious skin conditions, severe cough, and other signs of acute illness.

(If you change your phone number at home or work or there is a change in your emergency contact person, please update this information in Skyward as soon as possible. All information is confidential.)

Accidents:

If an accident occurs, parents will be notified, if possible, concerning the particulars of the accident, degree of injury and any necessary follow up needed at home. All accidents will be triaged by the health office staff. Serious injuries will be stabilized at school and referred to the nearest or most appropriate hospital. Parents will be contacted as soon as possible.

Chronic Medical Conditions:

Please provide the school nurse with any necessary documentation if your child deals with a chronic medical condition (e.g. Medications, Allergies, Diabetes, Seizures, Asthma) that will possibly impact attendance or require specific individualized medical needs during school hours. This will allow school personnel to respond to treat your child.

Medication:

Dispensing medication (including acetaminophen and ibuprofen) is not the responsibility of the school. However, the Board recognizes that children may have chronic and/or acute health conditions that may require medication during school hours. If it is essential for a student to take medication during the school day, the following protocol will be followed:

Administration of prescription medication by school personnel for a chronic health condition requires a written physician's authorization. An adult must bring a student's medication to the office.

All medication must come to school in the original container. Prescription medication is labeled for the student by a pharmacist in accordance with law, and must be administered in a manner consistent with the instructions on the label.

In most cases, medication prescribed for three times a day does not need to be administered during school hours. It is most effective if administered every eight hours.

Homeopathic, herbal, or home preparations will not be administered at school.

Immunizations:

For the protection of all students, **Minnesota State Law (Sec.121A.15 MN Statutes)** requires that all children get vaccinated against certain diseases or have a legal exemption on file to be enrolled in school. Before entering school, each child must provide proof that the immunization schedule is in process or has been completed.

In Minnesota, there are nine vaccinations your child needs before attending school: measles, rubella, diphtheria, tetanus, pertussis, polio, mumps, hepatitis B and varicella (chickenpox).

Students in grades 7-11 are required to have 1 dose of Meningococcal vaccine and 1 dose of Tdap (Tetanus, Diphtheria, Pertussis) booster.

Students in 12th grade are required to have a booster dose of the meningococcal vaccine.

***Exemptions:** No student is required to receive an immunization if they have a medical contraindication or that laboratory evidence of immunity exists. No student is required to have an immunization which is contrary to the conscientiously held beliefs of their parent or guardian. A medical waiver must be signed by a physician and conscientious objections must be notarized.

Screenings:

First grade students are screened for hearing & vision.

Third and fifth grade students are screened for hearing & vision.

Homework:

Homework at the Intermediate level involves completing work not completed in class, or extending classroom learning. There are several projects at the fourth and fifth grades that will involve work at home i.e. science fair/inventor's fair projects, Wax Museum preparation. Students are expected to be prepared for school each day by having the materials they need and having homework completed. In an effort to help students develop independent responsibility and organizational skills, some classrooms will have assignment notebooks. Many teachers have websites for parents and students to access assignment information. Guidelines for class assignments will be posted in each classroom. Students who have persistent problems with work completion either homework or in-class work will be provided extra support during free-play or after school. If parents have questions or concerns about homework or work completion they are encouraged to call the classroom teacher.

Internet/Acceptable Use:

Becker Public schools is committed to the use of technology and the internet for educational purposes. Technology has allowed teachers to enhance and extend curricula in ways not even envisioned a few years ago. The school district embraces the use of personal and school-owned devices for the advancement of teaching and learning. In making decisions regarding student access to the school district computer system and the Internet, including electronic communications, Becker Public Schools considers its own stated educational mission, goals, and objectives. Electronic information research skills are now fundamental to preparation of citizens and future employees. Access to the school district computer system and to the Internet enables students to explore thousands of libraries, databases, bulletin boards, and other resources while exchanging messages with people around the world. The school district expects that faculty will blend thoughtful use of the school district computer system and the Internet throughout the curriculum and will provide guidance and instruction to students in their use.

The school district is providing students access to the school district computer system, which includes Internet access. The purpose of the system is more specific than providing students with general access to the Internet. The school district system has a limited educational purpose, which includes use of the system for classroom activities, educational research, and professional or career development activities. Users are expected to use Internet access through the district system to further educational and personal goals consistent with the mission of the school district and school policies. Uses which might be acceptable on a user's private personal account on another system may not be acceptable on this limited-purpose network.

The use of the school district system and access to use of the Internet is a privilege, not a right. Depending on the nature and degree of the violation and the number of previous violations, unacceptable use of the school district system or the Internet may result in one or more of the following consequences: suspension or cancellation of use or access privileges; payments for damages and repairs; discipline under other appropriate school district policies, including suspension, expulsion, or exclusion; or civil or criminal liability under other applicable laws.

Electronic Devices:

Cell phones, iPods and other electronics may be used during the school day with staff permission. All such devices should be turned off in the student's locker during the school day.

Use of Digital Devices at School and School Activities

In keeping with the district's technology goals, the district recognizes the value of mobile devices as learning tools and for communication purposes. Student use of these devices will be governed by the following procedures:

- The use of mobile devices during instructional time is at the discretion of the classroom teachers and building administrators
- When the use of electronic devices is not required during class, they should be set aside to prevent distraction.
- Students shall not use any electronic device that disrupts or detracts from the educational environment.
- Students may not use mobile devices in any manner that violates any district or school policies, including policies and guidelines governing copyright, harassment, Internet Acceptable Use, and academic integrity.
- Cameras or any devices with recording capability are not permitted to be used in locker rooms, restrooms, or any area where students and staff have a "reasonable expectation of privacy".
- Students are not allowed to photograph or videotape students or staff at school without their consent with the exception of public events such as concerts or athletic contests.
- Students' use of mobile devices while in the school building must comply with the district's Acceptable Use Policy regardless of whether they are connecting through the school's network or through a cell carrier.
- The district retains the right at any time to view and/or investigate the contents of students' school issued devices at school.
- Any inappropriate use of cell phones for the purpose of using text messaging to harass or threaten others, or to plagiarize, copy or otherwise cheat academically

is subject to the hazing and harassment policy and will result in disciplinary action. (District Policy 526)

- The school is not responsible for lost or stolen items.

Violations of these guidelines will be handled on an individual basis and may include confiscation of the device, conference with parents, suspension of the right to carry a phone/device, referral to the school resource officer, or other consequences.

Lost & Found / Stolen Property:

The school is not responsible for lost or stolen items. Each year students lose or misplace items of clothing as well as other things. Parents are encouraged to somehow label clothing and other belongings for easier identification. If your child is missing article(s) of clothing, the Lost and Found located in the lobby should be checked first. Students are discouraged from bringing anything to school except their books and study materials. Valuable items, expensive gifts, money or electronic toys or gadgets should not be brought to school. Lost items are not the responsibility of the Becker Schools or Becker Intermediate School and there is not time or personnel to conduct or complete a thorough search or investigation.

Mandatory Reporters:

All school staff are mandatory reporters. This means that all school staff are obligated by Minnesota law to report any incidents of suspected child abuse or neglect. Once a report is made to law enforcement or child protective services, the issue is out of the control of the school officials.

Pets:

Pets are not allowed in the building or on school grounds, unless parents make prior arrangements with the classroom teacher. In which case, pets may be brought to a designated spot outside of the building where the class can view the animal. Please remember that all pet visits must have prior approval of the classroom teacher with specific times and dates set. Please try to set a time that does not coincide with dismissal. No pets are allowed on any school bus. Pets must be brought and returned home by the parent(s).

This procedure is in response to the many children and staff members with asthma and allergies. Thank you for your cooperation.

Pledge of Allegiance:

The entire Becker Intermediate School body recites the Pledge of Allegiance at least weekly. Any student who wishes to abstain from reciting the Pledge is free to do so but must communicate their objection to their teacher.

Safety:

Safety is an important goal at Becker Intermediate Elementary. To help us provide your child/children with a safe environment, please read and follow the procedures outlined below.

Bicycle Procedures:

For the safety of both riders and walkers, all bike riders need to follow the expectations listed below;

- 1.) Bicycles are ridden on streets only. For the safety of all pedestrians, bikes should be walked from the school at dismissal time.
- 2.) Walkers always have the right-of-way.
- 3.) Only one rider on a bike at a time.
- 4.) All bikes must be parked in the bike rack.
- 5.) Bikes are only ridden to and from school.
- 6.) Bikers should arrive at school no earlier than 7:45 a.m.

Hallway Procedures:

- 1.) Students will walk on the right side of the hallway.
- 2.) Students will talk quietly in the halls.
- 3.) Students will report all strangers to their teacher or the office.

Playground Rules:

- 1.) Food, gum and/or candy are not allowed on the playground.
- 2.) Organized group games such as football, softball, kickball, etc. must be held on the designated playing area.
- 3.) Tree climbing or snow/ice throwing are not permitted.
- 4.) Toys of any type are not allowed on the playground
- 5.) Violence, use of profanity, obscene gestures, poor sportsmanship, threatening or harassment of others, general inability to get along can and will result in suspension of playground privileges and/or other sanctions as deemed necessary and proper by the supervisors of the area or the principal.

Roller blades/Skateboards/Scooters: For the safety of all pedestrians, rollerbladers, skateboarders and scooter riders need to follow the expectations listed below:

- 1.) Roller blades/skateboards/scooters are not to be used during bus loading and off-loading times.
- 2.) Roller blades should never be worn in the school building.

Walker Procedures: For safety reasons, all walkers must cross only at corners or marked crosswalks. Always look both ways and follow these expectations:

- 1.) Use sidewalks, whenever possible, on the way to and from school.
- 2.) Cross streets ONLY at marked crossings or at street corners.
- 3.) Safety Patrol students will assist crossing at Hancock Street and the Rye Street corner as well as the corner of Hancock & Third Streets.
- 4.) Walkers should arrive no earlier than 7:45 a.m.
- 5.) NO STUDENTS ARE EVER TO WALK TO THE MIDDLE OR HIGH SCHOOL BUILDINGS or to the COMMUNITY CENTER in the afternoon as buses are provided. The parking lot area is too dangerous for elementary students to be walking in that area.

Snack Break:

Teachers typically schedule a working snack break for students sometime during the school day. Students are allowed to have a food snack. Snacks should be nutritional in nature, i.e. fruit or vegetables, crackers etc. High sugar treats are discouraged.

Telephone Use:

Students are allowed to use the office or classroom phones in cases of emergencies only. Making after school social plans is not considered an emergency. Students are not to use these phones during the school day without teacher permission.

Toys:

Students are not to bring toys of any type (Pokémon Cards, sports cards, other electronic equipment etc.) to school. The only exceptions to this rule are special activity days, show & tell or long bus rides. Any articles brought to school are the responsibility of the student. Students are not allowed to bring laser pens or spray bottles or spray containers to school. Any of these articles or others deemed a nuisance found in school will be confiscated.

Visitors:

Students may not bring other children as visitors to school. Parents are welcome and encouraged to visit. For the safety of all the students, the Intermediate School building will be locked from 8:20 a.m. to 2:30 p.m. During the school day, when the buildings are locked, visitors are asked to press the call button near the main entrance. The school secretary will welcome you: ask your name, and the purpose of your visit. Visitors who are granted access to the building must report to the office, check in, and return the visitor's badge upon leaving the building. Signs will be posted at each building entrance explaining the protocol for visitors as described above. Parents visiting the classroom as an observer are asked to be as quiet

and non-disruptive as possible. Visits are not an appropriate time to meet with the teacher or schedule a conference/meeting. Parents who choose to eat lunch with their child(ren) are asked to check in at the office and get a visitor badge. Please limit your visit to lunchtime and not the free-play time. Free-play is for student socialization. Also, parents on the playground are a distraction for the supervisors and can create a security issue. Should a parent visitor see or experience a behavioral issue, they are asked to report it to the supervisor of that area. Parents are not to discipline or reprimand any student(s).

Volunteers:

Becker Intermediate Elementary encourages and welcomes all volunteers to our school. Whether a parent, guardian, grandparent or community person, your time spent at Becker Intermediate Elementary, as a volunteer, is an important contribution to a child's education. Information will be sent home at the start of the school year outlining volunteer needs. If you are interested in volunteering contact your child's teacher or the Intermediate Elementary Office to arrange times and activities. Because volunteers are not required to have background checks completed, all volunteers will be allowed to work with students only in supervised settings. All persons volunteering are expected to report to the Intermediate Office to sign-in and get a volunteer badge to wear while in the building.

Support Services

Social Worker

A full time social worker is available to work with students individually or in groups to help students develop appropriate social and emotional skills.

Behavior Interventionist

A full time Behavior specialist is available to work with students individually or in groups to help students develop appropriate social and emotional skills.

Reading Interventions

Support is provided for children who need extra help in reading through computerized programs, small groups and/or one on one instruction.
