\*New students only\* Why did you choose CCS?

13 responses

It was close

because it was a smaller school and had a form of transport that i could use

I'm filling this out to answer every question.

cause my parents choose it cause its the closest cause i got taken out of Pequot.

cause its not to big or small school and its a shorter distanse from home

Does it count to be new if its your first year? if so, its small, so peaceful
