GENERAL CERTIFICATE OF THE DISTRICT

January 5, 2026

We, the undersigned, being the duly qualified officers of Independent School District No. 2172 (Kenyon-Wanamingo Public Schools), Goodhue, Dodge, Rice and Steele Counties, Minnesota (the "District"), hereby certify that no litigation is pending to which the District is a party, or threatened against the District to restrain or enjoin the issuance, sale, or delivery of the District's General Obligation Facilities Maintenance Bonds, Series 2026A (the "Bonds"), in the original aggregate principal amount of \$10,540,000, or the payment, collection, or application of the proceeds thereof or other money and securities pledged or to be pledged to the Bonds or in any way contesting or affecting any authority for or the validity of the Bonds or the existence of powers of the District. Further, there are no proceedings of any kind or nature pending or threatened in any way contesting or affecting the corporate existence or boundaries of the District or the title of the members of the School Board of the District to their offices by or before a Federal, State, or local governmental or administrative authority or agency.

The undersigned further certify that we have examined the Preliminary Official Statement, dated December 1, 2025, and the Final Official Statement, dated December 8, 2025 (together, the "Official Statement"), prepared by Ehlers and Associates, Inc., in connection with the issuance of the Bonds. To the best of our knowledge and belief, as of the date hereof, we certify that the Official Statement is a complete and accurate representation of the facts stated therein and further that said Official Statement did not (as of the date of the Official Statement) and does not contain any untrue statement of a material fact or omit to state a material fact which should be included therein for the purpose for which the Official Statement is to be used, or which is necessary in order to make the statements made therein, in light of the circumstances under which they are made, not misleading.

The undersigned further certify that no order of consolidation has been issued pursuant to Minnesota Statutes, Section 123A.48, subdivision 15, involving the District, within thirty (30) days of the date of closing of the Bonds. The District is therefore not prohibited from delivering bonds to purchasers by the provisions of Minnesota Statutes, Section 123A.48, subdivision 19.

We certify the signatures shown below are the duly authorized signatures of the Board Chair, Clerk, and Treasurer of the District.

IN WITNESS WHEREOF, the undersigned officers have executed this General Certificate of the District as of the date and year first written above.

TAX CERTIFICATE

January 5, 2026

We, the undersigned, being the duly qualified officers of Independent School District No. 2172 (Kenyon-Wanamingo Public Schools), Goodhue, Dodge, Rice and Steele Counties, Minnesota (the “District”), hereby certify and recite as follows:

As of the date hereof and in accordance with the directions of the School Board of the District set forth in the Resolution of the School Board adopted on December 8, 2025 (the “Award Resolution”), we have caused the proper manual or facsimile signatures to be affixed to each of the District’s General Obligation Facilities Maintenance Bonds, Series 2026A (the “Bonds”), issued in the original aggregate principal amount of \$10,540,000. The Bonds were issued as of the date hereof in denominations of \$5,000 at the following interest rates:

<u>Year</u>	<u>Interest Rate</u>	<u>Year</u>	<u>Interest Rate</u>
2027	5.000%	2034	5.000%
2028	5.000%	2035	5.000%
2029	5.000%	2036	5.000%
2030	5.000%	2037	4.000%
2031	5.000%	2038	4.000%
2032	5.000%	2039	4.125%
2033	5.000%	2040	4.125%

The Bonds are dated January 5, 2026, and accrue interest from such date. Interest on the Bonds is payable semiannually on February 1 and August 1, commencing August 1, 2026. The Bonds are fully registered and are payable at Bond Trust Services Corporation, Minneapolis, Minnesota, the Bond Registrar and Paying Agent.

The Bonds mature on February 1 in the years and amounts as follows:

<u>Year</u>	<u>Amount</u>	<u>Year</u>	<u>Amount</u>
2027	\$370,000	2034	\$545,000
2028	\$430,000	2035	\$570,000
2029	\$505,000	2036	\$595,000
2030	\$570,000	2037	\$625,000
2031	\$655,000	2038	\$645,000
2032	\$685,000	2039	\$1,775,000
2033	\$720,000	2040	\$1,850,000

The District may elect on February 1, 2033, and on any day thereafter to prepay Bonds due on or after February 1, 2034. Redemption may be in whole or in part and if in part, at the option of the District and in such manner as the District shall determine. If less than all Bonds of a maturity are called for optional redemption, the District shall notify The Depository Trust Corporation (“DTC”) of the particular amount of such maturity to be prepaid. DTC shall determine by lot the amount of each participant’s interest in such maturity to be redeemed and each participant will then select by lot the beneficial ownership interests in such maturity to be redeemed. Prepayments shall be at a price of par plus accrued interest to the date of optional redemption.

The undersigned, as officers of the District who have the responsibility together with the governing body of the District for the issuance of the Bonds, further certify that, as of the date hereof, the District reasonably expects the following with respect to the Bonds:

1. Proceeds of Bonds. On the date hereof, the District received proceeds of the Bonds in the amount of \$10,778,143.28 (par amount of \$10,540,000, plus original issue premium of \$456,506.90, less original issue discount of \$43,827.10, less an underwriter’s discount of \$174,536.52).

2. Purpose of Bonds; Project Costs. The Bonds will be used to fund the costs of certain facilities and site maintenance projects included in the District’s ten-year facility plan approved by the Commissioner of Education (the “Project”), and related financing costs. Proceeds of the Bonds will be expended as follows:

<u>Expenditures</u>	<u>Total Project Cost</u>
Underwriter’s Discount	\$174,536.52
Costs of Issuance	100,925.00
Deposit to Debt Service Fund (Capitalized Interest)	1,183.87
Deposit to Construction Fund	<u>10,677,218.28</u>
Total:	\$10,953,863.67*

** Includes proceeds in the amount of \$10,953,863.67 (comprised of the par amount of \$10,540,000.00, plus funds on hand of \$1,182.87 plus net original issue premium of \$412,679.80).*

2a. Reimbursement. The proceeds of the Bonds will not be applied to reimburse expenditures of the District (other than Preliminary Expenditures) incurred prior to the date of issue of the Bonds, unless within sixty (60) days after such expenditure the School Board of the District adopted a resolution expressing its intent to reimburse expenditures related to the Project from the proceeds of the Bonds. On July 28, 2025, the School Board of the District adopted a resolution declaring the official intent of the District to reimburse expenditures from proceeds of the Bonds. Following such declaration, the District has not made expenditures (other than Preliminary Expenditures) related to the Project from a source other than the proceeds of the Bonds.

3. Yield. Based on the Certificate of Municipal Advisor, dated as of the date hereof (the “Municipal Advisor Certificate”), executed by Ehlers and Associates, Inc. (the “Municipal Advisor”), the yield on the Bonds for arbitrage purposes is 3.8665501 percent.

4. Weighted Average Maturity. Based on the Municipal Advisor Certificate dated as of the date hereof, the weighted average maturity of the Bonds is 9.100 years.

5. Economic Life of Bond-Financed Project. The average maturity of the Bonds, as determined in the manner set forth in Section 147(b) of the Internal Revenue Code of 1986, as amended (the “Code”), is expected to be less than 120 percent of the average reasonably expected economic life of the capital projects financed with the proceeds of the Bonds, as determined in the manner set forth in Section 147(b) of the Code. As a result, the Bonds satisfy the safe harbor under Section 1.148-1(c)(4)(B)(2) of the Treasury Regulations, and replacement proceeds do not arise with respect to the Bonds. The Treasury Regulations as amended from time to time are hereafter referred to as the “Regulations.”

6. Disposition of Bond-Financed Property. No asset acquired with proceeds derived from the sale of the Bonds that are allocated to the acquisition of such asset shall be sold or transferred by the District unless the District has first received an opinion from a nationally-recognized bond counsel to the effect that such sale or transfer (or the proposed application of the proceeds derived from such sale or transfer) will not cause interest on the Bonds to become includable in gross income for federal income tax purposes.

However, to the extent the proceeds of the Bonds are used to finance equipment or other personal property (“Property”), the District may dispose of such bond-financed Property in the ordinary course of an established governmental program without an opinion from a nationally-recognized bond counsel because the District will make no such disposition unless all of the following conditions are satisfied: (i) the weighted average maturity of the Bonds financing the Property is not greater than one hundred twenty percent (120%) of the reasonably expected actual use of the Property for governmental purposes; (ii) the District reasonably expects on the issue date of the Bonds that the fair market value of the Property on the date of disposition will be not greater than twenty-five percent (25%) of its cost; and (iii) the Property is no longer suitable for its governmental purposes on the date of disposition. The District shall deposit amounts received from any disposition of Property in a commingled fund with substantial tax or other governmental revenues and the District reasonably expects on the date hereof that the District will spend such amounts on governmental programs within six (6) months from the date of such commingling. The District may treat the Bonds properly allocable to the disposed Property that satisfies the provisions of this paragraph as a separate issue under the provisions of Section 1.150-1(c)(3) of the Regulations.

7. Private Use of Bond-Financed Property. The Project shall be used solely by the District, other governmental entities, and members of the general public. The Project shall not be used by the government of the United States of America, its agencies or instrumentalities, or by nongovernmental entities, except by members of the general public.

8. Payments from Non-governmental Persons. The District shall not accept any payment or other benefit from the government of the United States of America, its agencies or instrumentalities, or from a non-governmental person which, in either case, is benefited from the issuance of the Bonds unless the District has first received an opinion from a nationally-recognized bond counsel to the effect that acceptance of such payment or benefit will not cause interest on the Bonds to become includable in gross income for federal income tax purposes.

9. Minor Portion. Proceeds of the Bonds shall not be used directly or indirectly to acquire higher-yielding investments or to replace funds which were used directly or indirectly to acquire higher-yielding investments, except during temporary periods described in Section 148 of the Code and applicable Regulations, and except for not more than \$100,000 of the proceeds of the Bonds (the “Minor Portion”).

10. Three Year Temporary Period. The net sale proceeds and investment proceeds of the Bonds are intended to be used for a capital project and qualify for a three-year temporary period because the District reasonably expects to satisfy the expenditure test, time test, and due diligence test described below:

(a) Expenditure Test. At least eighty-five percent (85%) of the net sale proceeds of the Bonds will be allocated to expenditures on the Project within three (3) years of the date of this certificate.

(b) Time Test. The District will incur within six (6) months of the date of this certificate a substantial binding obligation to a third party to expend at least five percent (5%) of the net sale proceeds of the Bonds on the Project (excluding amounts allocated to costs of issuance). For purposes of this time test, an obligation is not binding if it is subject to contingencies within the District's control or within the control of a related party to the District.

(c) Due Diligence Test. Completion of the Project and the allocation of the net sale proceeds of the Bonds to such expenditures will proceed with due diligence.

As a result, the money credited to the Construction Fund (as defined in the Award Resolution) may be invested in higher-yielding investments for a temporary period of up to three (3) years without causing the Bonds to be arbitrage bonds.

11. Temporary Period – Debt Service Fund. The Debt Service Fund (as defined in the Award Resolution) is expected to qualify as a bona fide debt service fund (as defined in Section 1.148-1(b) of the Regulations) because it will be used primarily to achieve a proper matching of revenues with principal and interest payments on the Bonds within each bond year (as defined in Section 1.148-1(b) of the Regulations) and will be depleted at least once each bond year, except for a reasonable carryover amount not to exceed the greater of (i) the earnings on the Debt Service Fund for the immediately preceding bond year, or (ii) one-twelfth of the principal and interest payments on the Bonds for the immediately preceding bond year. As a result, the money credited to the Debt Service Fund may be invested in higher-yielding investments for a temporary period of up to thirteen (13) months without causing the Bonds to be arbitrage bonds. If only a portion of the Debt Service Fund qualifies as a bona fide debt service fund, only that portion qualifies for the temporary period.

12. Rebate. The District shall maintain records of the interest rate on the Bonds and on investment of the proceeds of the Bonds and income thereon in adequate detail to enable the District to calculate the total of the excess of the amount earned on any nonpurpose investments (excluding tax-exempt obligations), if any, over the amount which would have been earned if the nonpurpose investments were invested at a rate equal to the yield on the Bonds plus any earnings attributable to the excess (the "Rebate Amount"). Any Rebate Amounts shall be paid to the United States according to the requirements set out in Section 148(f)(3) of the Code unless the District satisfies one of the expenditure exceptions to the rebate requirements under Section 1.148-7 of the Regulations.

13. Penalty. If the District fails to satisfy the rebate requirements of Section 148(f)(2) and (3) of the Code and an expenditure exception to the rebate requirements is not satisfied by the District, then the District may elect to pay any penalty required to be paid in lieu of loss of tax exemption by Section 148(f)(7) of the Code.

14. Status as Private Activity Bonds or Arbitrage Bonds. The District shall take no action to cause any of the Bonds to be deemed to be a "private activity bond" within the meaning of Section 141 of the Code and applicable Regulations. The District shall take no action to cause any of the Bonds to be deemed to be an "arbitrage bond" within the meaning of Section 148 of the Code and applicable Regulations.

15. No Federal Guarantee. The Bonds are not “federally guaranteed” within the meaning of Section 149(b) of the Code. For purposes of this Section 15, the Bonds are “federally guaranteed” if: (i) the payment of principal or interest with respect to the Bonds is guaranteed, directly or indirectly (in whole or in part) by the United States (or any agency or instrumentality thereof), or (ii) five percent (5%) or more of the proceeds of the Bonds are (A) used to make loans the payment of principal or interest with respect to which is to be guaranteed (in whole or in part) by the United States (or any agency or instrumentality thereof) or (B) invested (directly or indirectly) in federally insured deposits or accounts. For purposes of the preceding paragraph, the Bonds are not treated as “federally guaranteed” by reason of any investment of proceeds of the Bonds (i) during the initial three-year temporary period until such proceeds are needed for the governmental purpose for which the Bonds are being issued, (ii) during the thirteen-month temporary period applicable to bona fide debt service fund investments, (iii) in bonds issued by the United States Treasury, and (iv) in any other investments permitted by the Regulations.

16. Hedge Bonds. For purposes of Section 149(g) of the Code, the District represents and certifies as follows: (i) the District reasonably expects that eighty-five percent (85%) of the spendable proceeds of the Bonds shall be used to carry out the governmental purposes of the Bonds within the three-year period beginning on the date the Bonds are issued; and (ii) not more than fifty percent (50%) of the proceeds of the Bonds are to be invested in nonpurpose investments (as defined in Section 148(f)(6)(A) of the Code) having a substantially guaranteed yield for four years or more.

17. Investment of Proceeds. Any investments purchased with the proceeds of the Bonds shall be purchased at Fair Market Value. “Fair Market Value” shall mean a price at which a willing buyer would purchase the investment from a willing seller in a bona fide, arm’s-length transaction.

18. Not Qualified Tax-Exempt Obligations. The District shall not designate the Bonds as “qualified tax-exempt obligations” within the meaning of Section 265(b)(3) of the Code.

19. No Other Facts. To the best of our knowledge and belief there are no facts or estimates, other than these contained in the underlying documents upon which this certification is based, which would materially change the foregoing expectations.

20. No Notification From IRS. The undersigned have not been notified nor do they have any knowledge to indicate that the District has been listed or is proposed to be listed by the Internal Revenue Service as an issuer whose certifications may not be relied upon.

21. Not Arbitrage Bonds. On the basis of the foregoing, it is not expected that the proceeds of the Bonds shall be used in a manner that would cause the Bonds to be arbitrage bonds under Sections 103 and 148 of the Code, and the rules and regulations promulgated under those sections, including Sections 1.148-1 through 1.148-10 of the Regulations.

22. Post-Issuance Compliance. The District has adopted written procedures to (a) ensure that all nonqualified bonds of this issue are remediated according to the requirements of the Code, and (b) monitor the requirements of Section 148 of the Code.

23. Establishment of Issue Price. In accordance with the terms of the Preliminary Official Statement and the Terms of Proposal, the Purchaser was advised that not all of the requirements of a “competitive sale” pursuant to Section 1.148-1(f)(3)(i) were satisfied with respect to the sale of the Bonds because proposals were received from less than three underwriters of municipal bonds. Pursuant to the Proposal Form executed by the Purchaser on December 8, 2025, the Purchaser agreed in writing to use the “Hold-the-Offering-Price Rule” to determine the issue price of the Bonds. Pursuant to such agreement, no Underwriter has offered or sold any Maturity of the Hold-the-Offering-Price Maturities at a price that is higher than the respective Initial Offering Price for that Maturity of the Bonds during the Holding Period. Accordingly, the District elects to treat the reasonably expected initial offering price to the public as of the sale date (December 8, 2025) as the issue price of the Bonds, as set forth in the certification of the winning bidder and in accordance with Sections 1.148-1(f)(2)(ii) and (iv) of the Regulations.

IN WITNESS WHEREOF, the undersigned officers have executed this Tax Certificate as of the date and year first written above.

Section 9. Amendment; Waiver. Notwithstanding any other provision of the Resolution or this Disclosure Certificate, the District may amend this Disclosure Certificate, and any provision of this Disclosure Certificate may be waived, if such amendment or waiver is supported by an opinion of nationally-recognized bond counsel to the effect that such amendment or waiver would not, in and of itself, cause a violation of the Rule. The provisions of the Resolution requiring continuing disclosure pursuant to the Rule and this Disclosure Certificate, or any provision hereof, shall be null and void in the event that the District delivers to the Repository an opinion of nationally-recognized bond counsel to the effect that those portions of the Rule which impose the continuing disclosure requirements of the Resolution and the execution and delivery of this Disclosure Certificate are invalid, have been repealed retroactively or otherwise do not apply to the Bonds. The provisions of the Resolution requiring continuing disclosure pursuant to the Rule and this Disclosure Certificate may be amended without the consent of the Holders of the Bonds, but only upon the delivery by the District to the Repository of the proposed amendment and an opinion of nationally-recognized bond counsel to the effect that such amendment, and giving effect thereto, will not adversely affect compliance with the Rule.

Section 10. Additional Information. Nothing in this Disclosure Certificate shall be deemed to prevent the District from disseminating any other information, using the means of dissemination set forth in this Disclosure Certificate or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Material Event, in addition to that which is required by this Disclosure Certificate. If the District chooses to include any information in any Annual Report or notice of occurrence of a Material Event in addition to that which is specifically required by this Disclosure Certificate, the District shall have no obligation under this Disclosure Certificate to update such information or include it in any future Annual Report or notice of occurrence of a Material Event.

Section 11. Default. In the event of a failure of the District to comply with any provision of this Disclosure Certificate any Holder of the Bonds may take such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause the District to comply with its obligations under the Resolution and this Disclosure Certificate. A default under this Disclosure Certificate shall not be deemed an event of default with respect to the Bonds and the sole remedy under this Disclosure Certificate in the event of any failure of the District to comply with this Disclosure Certificate shall be an action to compel performance.

Section 12. Beneficiaries. This Disclosure Certificate shall inure solely to the benefit of the District, the Participating Underwriters, and the Holders from time to time of the Bonds, and shall create no rights in any other person or entity.
