#### Background Information

On November 19, 2020, the Superintendent and Personnel Committee negotiated a two-year agreement for 2021-22 and 2022-23. The agreement includes a 0% salary increase for both years, a decrease in the car allowance beginning in the first year, changes to the language for HRA language to include a VEBA option, and changes to the language in severance provisions. Unnecessary spaces were also deleted from the contract, so the redline version shows numerous deletions of spaces. A clean copy of the agreement is included in the board packet, and a redline version is included as an extra.

#### Personnel Committee Recommendation

I move to approve the Superintendent's Contract for the 2021-23 contract years as presented.
