<u>Page</u>	<u>Description of Addition / Change</u>
3	Title change from Title One teacher to Math and Reading Specialists
4	An adjustment was made to the two hour late start time. This adjustment reflects the actual time the day begins on two hour late start days.
5	Timeframe of when report cards are sent home was adjusted for accuracy.
5-6	Attendance Policy – Policy did not change but our work with the Attendance Review Board (ARB) is still fairly new. An adjustment was made in the number of unexcused days that now equal excessive absences which merits a referral to the ARB. The change is from 6 to 5 days. All prior work and documentation remains the same. MES now has the same policy and procedures as all ARB schools.
10	Reference to the new Bullying Policy (514) and where to view it.
10	Updated the expectations and allowances for electronic devices in the school. This takes into consideration our I-pad initiative.
