Re: High School Principal Report February 2020

Greetings from HHS!

This semester we as a staff have committed to doing everything we can to help our students do great things on the spring assessments. Those assessments include the ACT, SAT, and ISAT. As a staff we review the results of each of these assessments on a yearly basis. The information gathered from these assessments helps guide our instruction and set our lessons to best meet the needs of our students. This semester specifically we are utilizing the ISAT interim block assessments as well as ACT test prep in our advisory periods as well as in our classrooms as a study tool and instructional tool to help students fill in the blanks or to help them build on prior knowledge in hopes to knock these assessments out of the park this coming semester.

As we continue to work with PBIS in our school, we continue to focus on Respect, Responsibility, Safety, Positive Attitudes, and Grit. This month we will be focusing on Safety, both on a personal level as well as school wide. Our hope, as it has been each month, is to continue to build up our school culture as we work with students in character building and becoming well rounded productive citizens. The academic skills along with the life skills we address on a daily basis are what we feel will help our students in reaching their dreams.

Thank you for your continued support of Homedale High School!
