

MEETING DATE: July 16, 2018

AGENDA ITEM: Spring 2018 Demographic Update

PRESENTER: Rocky Gardiner, Templeton Demographics

ALIGNS TO BOARD GOAL(S): Financial/Facilities – The District shall exhibit excellence in financial and facility planning, management, and stewardship.

BACKGROUND INFORMATION:

- In order to stay abreast of the District's current and future student growth trends, the District receives an update from our demographer, Templeton Demographics, two times each year.
- These bi-annual updates presented to the Board of Trustees include projected student growth and its potential impact to the District.

ADMINISTRATIVE CONSIDERATIONS:

- In light of the continued housing growth we are experiencing within the District, a detailed examination of the projected student growth trends is a critical component to facility and financial planning for Aledo ISD.
- This evening, Rocky Gardiner, with Templeton Demographics, will provide an updated look at the short-term and longer-term projections of student growth in the District.

Templeton Demographics

What we do!

- **Demographic Studies**: Report includes housing research, student yields, economic activity, mobility, birth rate trends, private school survey, and cohort patterns which lead to enrollment projections by campus and grade level
- Quarterly Housing Reports: Interviews with developers, city and county planning departments, and deed transaction reports
- Attendance zone planning: Assistance with attendance zone planning to open new schools, balance enrollments, locate special populations and programs can include changing grade configurations
- **Facility Planning:** Combination of enrollment projections data and G.I.S. software to build 5 or 10 year facility plans. Helps answer "When and Where to build schools"
- School Site Planning: Assist district with options for future school site locations. G.I.S. software displays current school locations, current students and future student locations based upon future housing data
- **G.I.S.**: School locator, Attendance Zone Maps and Web G.I.S. program
