**BOARD OF EDUCATION**  
**Bloomington, Illinois**

Regular Meeting     August 25, 2025

**FOR ACTION**

**Subject:     Approval of Intergovernmental Agreements with the  
                  Bloomington Park District**

As part of a review of intergovernmental agreements, I have been in conversations with Joe Potts, Executive Director of the Bloomington Park District. The attached agreements concern various partnerships between the School and Park District.

One agreement allows for the Park District to use the land owned by the school district for public park access at Four Seasons Park. This park is located behind the Montrose Market on Lake Street in Roselle. Another agreement addresses the gym that is part of Westfield where both districts share costs and use of the space. The final agreement addresses the use by the Park District of School District facilities to provide before and after school programming as well as other services.

There is another intergovernmental agreement that will be ended between the parties as it pertains to the Blended Preschool program. The District will be taking over the program at Erickson beginning the 2026-2027 school year.

It is my recommendation to the Board to approve the intergovernmental agreements with the Bloomington Park District, as presented.

**Recommendation:** The Board approve the intergovernmental agreements with the Bloomington Park District, as presented.
