SUBJECT: Facility Rental Increase

Board Policy 2240, Section V. states: The Rental Fee Schedules shall be established by the Board of Education of Weber School District (Board) and are subject to periodic review. Users will be charged according to the Rental Fee Schedules applicable to the lessee's rental status.

The Capital Improvement Committee met to review a request regarding the rental fee for the use of the turf fields at the high schools. The Capital Improvement Committee recommends that the rental fee is increased from \$250 per hour to \$500 per hour. This is the first increase since the installation of the turf fields, and with the total cost of those fields, this rental increase will help mitigate the risk of damage to the fields, while still providing the opportunity for outside entities to rent the fields. This will include the field house turn rental at West Field High School.
