May 2021

May 3-7 we are celebrating our GGS teachers during Teacher Appreciation Week. Thank you to our teachers for all you do and continue to do. We appreciate you for your dedication to GGS!

We are in the final trimester of the school year. Even though we are starting to make plans for the 2021-22 school year, attendance is still important for students. There is a strong correlation between attendance and achievement and is an essential component of a student's academic success. Please reach out to us if you have questions or concerns, so we can help partner with your family to help support your child in the best possible way.
