Re: High School Principal Report September 2023

Greetings from HHS!

What a great start to the 2023-2024 school year! We have had a great first few weeks of school here at HHS. We are full but we are flowing smoothly. The feel on campus has been great and we feel like a lot of it has to do with the new parent drop off, the new parking, and the new science rooms on campus. It truly feels like a campus right now and the kids are doing a great job adjusting to the new setting.

This month we are focusing on the PBIS theme of Respect. We had a tremendous opportunity through our Gear Up program and with the help of Kristie Dorsey in bringing in a fantastic guest speaker Chris Herren to share with our students about life choices and doing the right thing. Our goal as it is stated in our vision statement is to “Inspire our students to dream toward a better future, and equip them with the skills necessary to achieve those dreams!” We are off on the right foot in getting that accomplished this school year!

We are truly blessed to be here and to be a part of HHS!
