

BUILDINGS/GROUNDS & TRANSPORTATION REPORT

Date: September 19, 2016
To: Board of Education
From: Lori Ade

BUILDINGS/GROUNDS

Facilities Committee

The Facilities Committee met September 14th at the Jr. High. The meeting minutes are attached in this month's Board Report. The next Facilities Committee meeting is scheduled for Wednesday, January 11, 2017.

Jr. High Gymnasium Insurance Claim

Insurance company, adjuster, and consultants are finalizing figures. They will discuss with Slay's Restoration to come to an agreed upon final figure. Bleachers are scheduled for delivery Monday, September 19. September 30th is still the anticipated completion date.

District Capital Improvement Plan

Plaster Ceilings at Elementary Schools

Project is 100%. Future ceiling bracing will be included in the next project phase.

Security Cameras

Project is 100% complete.

JR. High HVAC Controls

- We are waiting on the technician with Indy Controls to return from medical leave. He will then replace some temporary sensors, and give us added information to update our controls software to better run the overall system.

Boiler Replacement

- Old boilers were removed Friday, September 16th.
- New boilers were delivered Friday, September 16th.
- Installation work will begin the week of September 19th.

TRANSPORTATION

Personnel Vacancies

We are still in the process of hiring one permanent regular route driver, and now have another regular route to fill effective Monday, September 26. We are also in the process of hiring one crossing guard.

We have had only one bus driver applicant so far after advertising locally and on social media sites. We're hopeful to get more applicants.

New Bus

The new bus was delivered on August 25th. We currently have a fleet of 17 buses, of which 4 are spare buses.
