Lunch- Closed Campus

For the 2025/26 school year, students will no longer be permitted to leave campus during lunch. This change is being implemented to address the increase in unexcused absences and tardies for those who chose to leave campus compared to those who stayed on campus during the lunch period.

Our priority is to ensure all students are present and engaged in their academic learning throughout the entire school day. We appreciate your cooperation as we work to improve student attendance and academic success. As a reminder, all students receive one free breakfast and lunch everyday from the school.

ParentVUE

Registration, Grades, Attendance, Class Schedule and More

ParentVUE is a web portal that allows parents to access real-time information related to their student's education progress. Parents can view their student's attendance, grades, assignments, and more. If you are a new user contact the High School for your activation code and get signed in!

"This institute is an equal opportunity provider"

Attendance Matters!

Each student adds a unique presence to the learning community, and the learning journey is richer and deeper when classroom peers learn together. Students with regular attendance are much more likely to do well in school and beyond.

- Chronic absence is defined as 18 days a year—or just 2 days a month – even if those absences are excused!
- If a student is below 90% in attendance, their ability to be on track after freshman year goes down considerably.
- Frequent absences can be a sign that a student is losing interest in school, struggling with schoolwork, dealing with bullying or facing some other difficulty. Whether it's transportation issues, health problems, or something else, contact the school to support and help find solutions that can make a big difference in your child's attendance and success.

If you should need to contact us for attendance purposes, please email us at alexisf@nknsc.org.

Please include the following:

- Students First and Last name
- Reason for the absence
- Date or time they will return from absence

We are not always by our phone, so by emailing us it will help keep your student's attendance up to date!

We understand that students miss school due to illness, appointments or for a pre-arranged absence, but we want to partner with you to make sure your student is as successful as possible. Students with strong attendance are more likely to succeed in school and in future employment. All absences impact a student's performance and they miss out on valuable instructional time. Emailing or calling the office to let us know they won't be here is a start to keeping them on track!

Academic Programs

- CTE- Business, Construction Trades, Future Natural Resource Leaders, Robotics
- Dual Credit- ELA, Math, Business, Forestry and Management, Science, Economics, etc
- AP- Psychology and Literature and Composition

GPA and why it's important...

- Scholarships are often tied to GPA
- It impacts your acceptance to many 4-year colleges and universities
- Valedictorian and Salutatorian status
- Athletic Eligibility
- Qualification for Oregon Promise- minimum 2.0 GPA required

Cell Phone Guidance

In July, Governor Tom

school districts have

smore

339

at all Oregon
devices from the

start of regular instructional hours to the end of regular instructional hours. Beginning with the 2025-26 school year, Neah-Kah-Nie High School will be implementing a new phone practice. All students will be issued a Yondr pouch to store their devices, including cell phones, smartwatches, and Bluetooth headphones.

During the first week of school, students will receive their Yondr pouch during advisory. Advisory teachers will be issued a list of their students with the assigned Yondr pouches. Similar to how they keep Chromebooks for the year, students will keep their assigned pouch for the entire school year. For more information about what NKNHS is doing with electronic devices this school year, please read the letters below.

From the Nurse:

If your student requires medication at school, they must be checked in with the High School office by the parent or guardian. No medications can be checked in to our office without completed paperwork.

- A permission form must be submitted to the office for medication administration
- This means: All medication must be checked in at the office with a signed authorization from a parent or physician depending on the medication.
- This applies TO ALL MEDICATION EVEN TUMS OR ASPIRIN.
- Please call the office if you have questions
 - *See attached authorization forms - you can bring signed to registration.*

Please welcome our new High School staff!
