Subject: Pipestone Area Schools Named a 2025 Best Community for Music Education

Dear School Board Members,

I am pleased to share some exciting news: Pipestone Area Schools has been recognized as a 2025 Best Community for Music Education by the NAMM Foundation.

This prestigious national designation is awarded to school districts that demonstrate an exceptional commitment to ensuring access to comprehensive music education for all students. To receive this honor, districts must meet rigorous criteria across several areas, including music program funding, graduation requirements, student participation, instructional time, facilities, and overall community support.

This year, only nine school districts in Minnesota were selected for this recognition — and we are proud to be among them.

This accomplishment is a reflection of the collective effort of our dedicated music educators, supportive parents, engaged students, school leaders, and community members. It underscores the strong values our district places on providing students with meaningful and enriching educational experiences.

As you know, music education plays a vital role in the development of well-rounded students. It fosters creativity, discipline, teamwork, and emotional expression — all of which contribute to academic and personal success.

Thank you for your continued support of the arts in our schools. This recognition belongs to our entire community and is a testament to what we can achieve together.

You can view the full list of recognized districts at the following link: 2025 Best Communities for Music Education Districts | NAMM Foundation

MSHS Principal Report, Continued

Scheduling:

The MS/HS schedule is attached. It does not list our SPED staff, as their schedules are different in terms of push-in and pull-out.

High School Registration:

All current 8th-11th graders have registered for classes. I have met with many students one-on-one to finalize their scheduling choices. All students will be given a print-out of their schedules for next year BEFORE the last day of school in May.

Kudos:

Tanya Shroyer, our middle school counselor, was recently appointed to the Minnesota School Counselor Association Board of Directors.
