

Personnel Resignations and Recommendations

For Thursday, January 18, 2024

Background:

Under Iowa Code 279.12, the school board has the authority to employ teachers, other licensed professional personnel, and support personnel, and determine their salaries. I am requesting board approval for the personnel issues listed below. I recommend the Board . . .

- Accept the resignation of Kyle Wilkinson as High School Varsity Head Football coach.
- Appoint Callie Stein as the Junior High Girls Track Coach with her salary at Year 1 for \$2,045 according to the master agreement.
- Appoint Kaylee Nolte as a full-time paraprofessional in Jacobson Elementary.
- Appoint Iran Carlos Martinez as a full-time EL paraprofessional in the Jr./Sr. High School.
- Accept the resignation of Leigh Jass as Assistant High School Football Coach.

Recommended Action:

I recommend the board approve these personnel issues in a single motion.
