Support Classrooms and Kids

[Take Action!](#)

This week, the Legislature will vote on school funding budgets for next year's classrooms. [The "Classrooms and Kids" budget](#) – the only one designed by frontline educators – is the ONLY plan where all kids win.

The "Classrooms and Kids" budget provides a \$250-\$291 increase in per pupil funding for every student in Michigan – without raising taxes – by eliminating \$186 million in spending special pots of money that are unstable and only serve to pick winners and losers amongst our kids.

In a [recently released poll](#), 75% of voters overwhelmingly supported the "Classrooms and Kids" budget. Educators and voters alike support the infusion of more dollars to classrooms, greater flexibility for local schools, and most importantly, the restoring of local control to the K-12 budget process.

We need your help.

Please TAKE ACTION now to tell your legislators to support the "Classrooms and Kids" budget.
