# History of Fred Moore

- Fred Moore High School
  - Began as an alternative high school in the early 90's to serve students at risk of dropping out of school.
  - Designed for 11<sup>th</sup> and 12<sup>th</sup> grade students who have decided that the traditional campus and school day is not for them.
  - Originally a half-day program, students could choose to attend an AM or PM schedule, based on the need of the student, a few students chose to attend full day(<10 students).

# History Continued:

- In Fall 2002, the program expanded to include students with less than 12 credits, this required these students to attend school all day.
- Spring of 2007, 9<sup>th</sup> grade academy began, traditional Fred Moore program moved to AM only.
- Fred Moore program to run in the AM, and the 9<sup>th</sup> grade academy to run in the PM.

# Ninth Grade Academy

- Each HS campus was allocated 20 “slots” for students to enroll .
- Each student selected attends their home campus each morning, and attends FMHS each afternoon.
- Each student must be at least a repeat ninth grader.
- Each HS campus used the same rubric for selection of students (attachment).

# Future Considerations...

- Keep the program as is for 2008-2009, with another re-evaluation in May 2009.
- Allow current FMHS students who attend in the AM to attend in the PM as needed.
  - The Fred Moore program can accommodate 10 or so students in the PM with the current ninth grade academy maintaining it's current function.
- Add 4 teaching units to Fred Moore HS allowing the Fred Moore program to be offered as two ½ day sessions, and double the ninth grade academy offerings.
- Other?
