Corrina,

CSA's are probably a good way to go and you might want to do 1 CSA per grant stating payment upon successful submission to granting agency. Also, I am going to put dates and hours on the invoice so also please state A MAXIMUM OF \$X so if I can get them done sooner, the district will save the resource.

Here is what I project.

Strategic Prevention Framework 40 X \$50 = \$2000 (not to exceed)
Award ceiling \$300,000
Closing date March 29, 2019

Native American Library Services Grant 10 hours X \$50 = \$500 (not to exceed)
Award ceiling \$10,000
Closing date April 1, 2019

Native American Language Preservation 40 hours X \$50 = \$2000 (not to exceed)
Award ceiling \$300,000
Closing date April 15, 2019

Again, I will be submitting invoices as a vendor once each grant is submitted. I don't get them submitted, I don't get paid

Let me know if you have any questions.
