

DU PAGE ELEMENTARY SCHOOL DISTRICT 13
BOARD OF EDUCATION
Bloomington, Illinois
Regular Meeting June 28, 2021

FOR DISCUSSION:

Subject: Spring 2021 MAP Score Report

At the last meeting, the growth scores for each grade level were enclosed in the blue folders for each member of the Board of Education that showed scores from the Fall of 2019 and the Spring of 2021. Those scores reflected the students who had taken the MAP in person in 2019 against their Spring 2021 score to determine if growth had been achieved. At each grade level, this was successfully accomplished.

Tonight, Mrs. Gabany will be in person to present to the Board a summary of this data. Please feel free to ask questions about the data during this portion of the meeting.
