

*This policy will replace the current P0500 in its entirety.*

## **Mission- Goals- Objectives**

### **Comprehensive Improvement Plans/Schedules**

The Board of Education will develop a long-range plan based on its goals and objectives.

The Board of Education's long-range plan will specify targets in the areas of regular and special learning programs, transportation, staffing, building utilization, capital improvements, and maintenance of buildings and grounds. The comprehensive long-range plan will focus on the achievement of Board adopted goals and objectives.

## **Mission-Goals-Objectives**

### **Educational Evaluation and Remedial Assistance Plan**

If required by law, the Board of Education shall prepare, maintain and submit to the State Board of Education, a plan for educational evaluation and remedial assistance as required. Said plan shall include at least (a) annual testing in grades four and six, to examine basic reading, language arts, and mathematics skills; (b) provision for application of local testing and for instructional improvement and identification of individual student needs; and (c) provision for remedial assistance. Said plan also shall be in conformity with existing state department of education specifications and requirements.

The Board, in order to help defray the costs of remedial instruction, will annually apply to the State Board of Education for a remedial assistance grant, as such are provided by law.
