Field Trips Not Approved

The requested field trip does not meet the criteria outlined in district policy and the request has been denied. Therefore, the teacher is not authorized to conduct this field trip by the district. Should the teacher choose to conduct the field trip on private time, he/she is required to inform the parents and students in writing that the field trip is not a school function, that it is not sanctioned by the district, and that the district is not liable for any injuries which may occur. Trips that do not meet the criteria and, therefore, may not be approved by the principal, will be considered unauthorized trips and neither school facilities nor school time may be used to promote them. This includes room use for meetings, public address announcements, disbursements of fliers, and collection of money.
