Registration Link Here: [Intro to Conscious Discipline Registration](#)

Presenter-Angela Fraley

### Blackfeet Language/BNAS/IEFA

Blackfeet Native American Studies Department is working diligently to implement a writing system that will remain consistent for Browning Public School students from early child care to graduation. This writing system is phonetic and cooperates with spoken Blackfoot. Part of this workshop will teach participants to read, write, and type this system by breaking down the symbols and the sounds they represent. In addition, the training will show how to access and use the BNAS curriculum and lesson plans.

Presenter-Robert Hall & BNAS/Immersion Staff

## THURSDAY, October 20th HALF DAY Offerings: (sessions offered in the AM and in the PM)

### Speech & Debate Judges Training (AM & PM Session)

Speech, Debate, and Drama is an MHSA sanctioned sport that Browning High School participates in. This sport relies heavily on volunteer judges to help make a successful meet. The purpose of this workshop is to train potential judges in the three areas of high school SD&D. Participants will explore the judging criteria and processes of speech, debate and drama categories. Browning High School, along with all MHSA invitational speech meets, cannot be successful unless the judging pool is well trained and reliable. We have 18 specific events with up to 24 competitors in each category. Come and support our youth and volunteer to be a judge for the SD&D community!
