Approved. Also, Brittany will need a letter or email of interest from the Bergtolds. I realize that there were verbal discussions.

Thanks,

Taw

To whom it may concern.

I (Matthew Bergtold) am interested in being the Native Youth Olympics coach this year for the school district. I believe that this is an important teaching/sport opportunity for the kids. I am a firm believer in that our kids minds and body grow in our cultural teachings. I am a leader of one of our local dance groups here in Metlakatla. As a leader I encourage our community members young and old to continue to learn about who they are which is Tsimpshian. I tell my kids that they are not only representing their family, but also their school and most importantly their community. Thank you for this opportunity.

Good afternoon,

My name is Emily Bergtold. I am contacting you about being a coach for NYO. I love the program and the cultural roots that this program has for students and their families. Matthew, my husband, and I desire to support the students of AISD by leading this program for the district. I am excited about the program and how it will help connect students to their cultural roots and subsistence skills. Please let me know what I need to do in order to be a part of this program.

Thank you!
