3216 - STAFF DRESS AND GROOMING

The Board ~~of Education~~ believes that professional staff members set an example in dress and grooming for their students to follow. ~~A professional staff member who understands this precept and adheres to it enlarges the importance of his/her task, presents an image of dignity, and encourages respect for authority. These factors act in a positive manner toward the maintenance of discipline.~~

The Board authorizes the development of standards for staff dress and grooming that promote a professional educational atmosphere that gives consideration to the impact on the educational process and the diversity of the District's staff.

~~The Board retains the authority to specify the following dress and grooming guidelines for staff that will prevent such matters from having an adverse impact on the educational process.~~ When assigned to District duty, all professional staff members shall:

- A. be physically clean, and neat, ~~and well-groomed~~;
- B. dress in a manner consistent with their professional responsibilities;
- C. dress in a manner that communicates to students a pride in personal appearance;
- D. dress in a manner that does not cause damage to District property;
- E. be groomed in such a way that ~~their hair style or dress~~ does not disrupt the educational process nor cause a health or safety hazard.
