

REQUEST FOR 40% CAMPUS HYBRID INSTRUCTION FOR 9TH-12TH GRADE STUDENTS

SECTION I: Requirements

For students in grades 9-12, school systems may establish a less-than-daily on-campus attendance schedule as the sole offering for students in one or more high school campuses of the LEA in order to reduce the number of individuals on a campus at any one time and increase the total number of students served in an on-campus setting in the LEA. In the event there is not a daily on-campus attendance option in one or more of these grade levels, the LEA must ensure that on-campus attendance is offered as part of the hybrid schedule at least 40% of the days in each grading cycle (typically 6-or 9-weeks periods). Any LEA that pursues this hybrid option while not providing a daily on-campus offering for students who otherwise wish to attend on campus may do so after submitting a waiver request to TEA. All waivers will be conditionally approved upon receipt but may be subject to further review by TEA.
