PRESENTATION

TITLE: Student Academic Achievement 2023-24 ATLAS Results

DATE: December 16, 2024

RESPONSIBLE ADMINISTRATOR: Dr. Tiffany Bone
Assistant Superintendent of Curriculum and Instruction

BACKGROUND/CONSIDERATIONS:

The Arkansas Department of Education (ADE) released the first Arkansas Teaching, Learning, and Assessment System (ATLAS) scores on October 16, 2024. The students participated in this assessment for the first time in April of 2024. The ATLAS replaced ACT Aspire as the state's assessment system. The ATLAS scores are a new baseline for measuring student learning in Arkansas and should not be compared to previous assessments. The [attached presentation](#) shares how our students performed compared to the rest of the state and includes sample test questions from the ATLAS testing portal.
