

UPDATE 116

CQB (Local) – CYBERSECURITY

Revisions to this policy delegates the responsibility of cybersecurity training to the superintendent. Wylie uses the KnowBe4 training program.

DCD (Local) – AT-WILL EMPLOYMENT

Clarification that an at-will employee's appeal of dismissal will follow the district's employee grievance policy. Previous wording made it appear that the appeal would start directly with the board.

FFAC (Local) – MEDICAL TREATMENT

Several revisions to this policy are recommended to reflect guidance from the Texas Department of State Health Services.

- Removal of administrative procedures on student illness, accidents, and epinephrine.
- Superintendent designates employees authorized to administer medication that is provided by the parent.
- District shall not purchase nonprescription medicine for students except as provided by this policy. The policy addresses district provided medication in the athletic program, parent requests, and students with IEP's and 504 plans.
- Clarification on who may complete medical authorization forms.

GKA (Local) – CONDUCT ON SCHOOL PREMISES

Specifies that that a person filing a complaint regarding refusal of entry to or ejection from property shall be permitted to address the board within 90 calendar days.
