The above referenced solicitation was advertised on December 22, 2024, and December 29, 2024. Vendors were required to submit responses by June 2, 2025, at 2:00 P.M. to be considered for this board recommendation. Bid notifications were sent to all registered vendors with commodities regarding Maintenance & Operations Equipment, Parts and Supplies via the purchasing e-Bidding site.

Eight (8) proposals were submitted, opened, and evaluated with the results detailed in the attached Evaluation Summary. It is recommended to award vendors in the attached Award Summary based on the best value to the district. Purchases are to be made on a "comparison basis" utilizing individual vendor rates and discounts. This will allow campuses and departments to determine the best value for purchases throughout the year.
