

Dear Members of the School Board,

2/6/2026

Please accept this letter as my formal notice that I will be retiring at the end of the current school year. It has been a privilege to work with the students, families, and staff in this district, and I am grateful for the opportunities I've had to serve our school community.

Thank you for your support over the years. I wish the district continued success in the future.

Sincerely,

Doug Richert
