Superintendent's Report

Back to School

School started last Wednesday, and our students hit the ground running. All across the District, we saw AVID binder work, Reading, Math, PBIS tours and more – from Day 1 – as administrators, teachers and support staff welcomed students to the 2025-2026 school year. While each campus is different, one thing we saw over and over at every school: happy faces!

All Amphitheater schools will follow the law to help students and teachers stay focused during class.
